This popular CCH resource provides sample filled-in reproductions of several commonly-used business tax forms along helpful coordinated explanations of the tax law related to completing these returns. Updated annually, this new edition includes discussion of law changes made by recent legislation that impact the preparation of 2005 returns in 2006, including the latest new tax developments affecting completion of business tax returns. Current year forms and related discussions included are: - Form 1120 and schedules (corporations) - Form 1120-S (S corporations) - Form 1065 (partnerships) - Form 1041 (fiduciaries) To help readers understand specific items on the returns and associated calculations, the filled-in forms contain cross references to the related CCH Explanations. These instructive explanations cover the separate items and schedules of each return and are keyed to the actual illustrative figures. Tax Rate Tables for Corporations and Estates and Nongrantor Trusts are also included for convenient reference.The expert CCH explanations, coordinated design elements and large format make this title the perfect quick-reference for tax return preparers and a great tool for staff training or personal brush-up for tax season.

CCH's 1120S Preparation and Planning Guide is the premier professional guide to preparing S corporation income tax returns -- plus you can use the Guide to get valuable CPE credits* while preparing for the coming tax return season. It is a product that includes both print text and CD audio update; a guide to both tax preparation and planning; and a source for both quick reference and CPE credits.

Technical guidance and practice aids for practitioners to prepare the IRS form 1041 for estates and trusts effectively while avoiding tax practice liability problems.

"The AICPA created this book to celebrate Sid Kess' many contributions to the CPA profession and, more importantly, to capture Sid's unique approach. The book explores the question of how one man has done so much and impacted so many people. The answers to this question provide distinct methods that all CPAs can apply to their practices and to their lives. Based on interviews with Sid, this book delves into Sid's 5 core approaches and details how to pursue them: *Truly put people first *Build and maintain core knowledge and expertise *Be imaginative and act on your ideas *Maximize your potential *Find and connect with people. Over 70 contributions from Sid's colleagues, students and friends describe Sid's use of these approaches to further careers, foster client relationships, teach successfully, and create happiness. No matter where you are in your career, The Sid Kess Approach will inspire you to be a better practitioner and more generous person."-From publisher.
