This book is open access under a CC-BY license. Moral dilemmas are a pervasive feature of working life. Moral Reasoning at Work offers a fresh perspective on how to live with them using ethics and moral psychology research. It argues that decision-makers must go beyond compliance and traditional approaches to ethics to prepare for moral dilemmas.

Rethinking Corporate Agency in Business, Philosophy, and Law

1. A business should aim to have fair dealing with everyone dealing with it.
2. Ethics should be fixed for everyone working in the organisation at any level and their implementation should be linked with reward- punishment system.
3. Any violation of ethics should be detected at the earliest and remedial measures taken immediately.
