Edwin R. 2004 Ford Expedition. Verified Owner. 01/17/2019. Nice vehicle. I love my Expedition. It is built on a truck frame, so it is solid. It has a powerful engine. It seats 8, with a third row, but the two back rows fold down, the rear one with electric motors on switches, so it has a large bed for work

I purchased my 2004 Eddie Bauer Expedition new in 2004 and I now have 210,000 miles on it. The only complaint I have ever had is the gas mileage which is about 13 miles per gallon. But it has done everything well, and reliably, and it still looks current, not dated. It is basically indestructible.
