This garter stitch baby blanket involves two colors and is worked with two strands of yarn throughout, making a super warm and squishy blanket that's also pretty fast to knit. In the same vein are the super easy baby blanket and its variations, the new version and the crib blanket version, from Purl Soho. All of these use stripes to make them a little more interesting to knit and to use, but you could always make a solid color one if you'd rather, or use a multicolored yarn.
