NOW A NETFLIX ORIGINAL SERIES If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched and will most likely fill you with deep despair. From The Bad Beginning to The End, this comprehensive collection with unfortunate bonus material that may or may not include trivia questions, character profiles, and several very sad sentences is the only choice for people who simply cannot get enough of a bad thing!

NOW A NETFLIX ORIGINAL SERIES Like an off-key violin concert, the Roman Empire, or food poisoning, all things must come to an end. Thankfully, this includes A Series of Unfortunate Events by Lemony Snicket. The thirteenth and final installment in the groundbreaking series will answer readers' most burning questions: Will Count Olaf prevail? Will the Baudelaires survive? Will the series end happily? If there's nothing out there, what was that noise? Then again, why trouble yourself with unfortunate resolutions? Avoid the thirteenth and final book of Lemony Snicket's international bestselling series and you'll never have to know what happens.

The first Series of Unfortunate Events gift/box-set of this New York Times best-selling series. The set includes The Bad Beginning, The Reptile Room, and The Wide Window.

Violet, Klaus, and Sunny Baudelaire are intelligent children. They are charming, and resourceful, and have pleasant facial features. Unfortunately, they are exceptionally unlucky. In the first two books alone, the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune, a lumpy bed, a deadly serpent, a large brass reading lamp, a long knife, and a terrible odour. In the tradition of great storytellers, from Dickens to Dahl, comes an exquisitely dark comedy that is both literary and irreverent, hilarious and deftly crafted. Never before has a tale of three likeable and unfortunate children been quite so enchanting, or quite so uproariously unhappy. Ages 10+

With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: Imagine you are wearing a bandage that needs to be removed. Are you the sort of person who tears the bandage right off, causing an enormous amount of pain in a short instance? Or do you prefer to spread your pain out over a longer period of time, by slowly unpeeling the bandage from your injury? If you are the first type of person, then this three-book electronic collection might be for you. All of the misery and woe available in three Lemony Snicket volumes! The Miserable Mill, The Austere Academy, and The Ersatz Elevator! have been joined into one compactly miserable package, so readers foolish enough to read about the Baudelaire orphans can be unnerved in a slightly more economical fashion. If you are the second type of person, then volumes four through six in A Series of Unfortunate Events might be for you. Even if you unwisely choose to read them at a more leisurely pace, you will encounter such atrocities as poorly paid employees, a hypnotist, an evil scheme, a gym teacher, dripping fungus, another evil scheme, a fake accent, three mysterious consonants, a red herring, and at least one more evil scheme. Of course, most people would prefer not to be injured at all. We salute these sensible people, who will doubtless not purchase any books by Lemony Snicket, no matter how conveniently bundled.

NOW A NETFLIX ORIGINAL SERIES Like bad smells, uninvited weekend guests or very old eggs, there are some things that ought to be avoided. Snicket's saga about the charming, intelligent, and grossly unlucky Baudelaire orphans continues to alarm its distressed and suspicious fans the world over. The tenth book in this outrageous publishing effort features more than the usual dose of distressing details, such as snow gnats, an organised troupe of youngsters, an evil villain with a dastardly plan, a secret headquarters and some dangerous antics you should not try at home. With the weather turning colder, this is one chilling book you would be better off without.
