*EXPERIENCE: A HISTORY OF
BLACK . . .*
Alan Karchmer/NMAAHC. On
September 24th, the long-
awaited - and long-disputed
- National Museum of African
American History and Culture
(NMAAHC) opened its doors,
with the aim of changing the
way citizens understand and
experience the United
States' past and present.
After a fitting spectacle on
the day - Barack Obama and
Oprah Winfrey were in
attendance - it felt like
something profound happened
when the 19th museum in the
Smithsonian Institution
family welcomed its first
visitors.

continues to shape, the African American experience through religious practices, familial and community systems, political position, and economic behaviors.

How Black History Has Shaped The African American Experience

Neil Wynn has written an outstanding account of the African American experience during World War II. Building on his own incisive earlier work and drawing on all the scholarship of the past several decades, he has given us a lively overview that is crisp and comprehensive at the same time.--Allan M. Winkler,

started bringing black Africans to America as slaves. This forced migration was unique in American history. But the slave trade was not new to Europe or Africa.

Constitutional Rights Foundation

During the 17th and 18th centuries, African and African American (those born in the New World) slaves worked mainly on the tobacco, rice, and indigo plantations of the Southern seaboard. Eventually slavery became rooted in the South's huge cotton and sugar plantations.

*African Teachers - Slavery
in the United States |
Britannica*

The primary characteristic of African American literature is that it speaks to the African-American experience in the United States, a country with a history of slavery and segregation laws. Because of this focus, many literary works are about individuals struggling to understand themselves in a white-dominated society.
