played in the experiences, decisions, and relationships of these families, and in the life of the new child. As the book opens in 2001, it is the evening of sixteen-year-old Melody's coming of age ceremony in her grandparents' Brooklyn brownstone. Watched lovingly by her relatives and friends, making her entrance to the music of Prince, she wears a special custom-made dress. But the event is not without poignancy. Sixteen years earlier, that very dress was measured and sewn for a different wearer: Melody's mother, for her own ceremony-- a celebration that ultimately never took place. Unfurling the history of Melody's family – reaching back to the Tulsa race massacre in 1921 -- to show how they all arrived at this moment, Woodson considers not just their ambitions and

successes but also the costs, the tolls they've paid for striving to overcome expectations and escape the pull of history. As it explores sexual desire and identity, ambition, gentrification, education, class and status, and the life-altering facts of parenthood, *Red at the Bone* most strikingly looks at the ways in which young people must so often make long-lasting decisions about their lives--even before they have begun to figure out who they are and what they want to be.

Barbara Grier—feminist, activist, publisher, and archivist—was many things to different people. Perhaps most well known as one of the founders of Naiad Press, Barbara’s unapologetic drive to make sure that lesbians everywhere had access to books with stories that reflected their lives in positive ways was legendary. Barbara changed the lives of thousands of women in her lifetime. For the first time, historian Joanne Passet uncovers the controversial and

often polarizing life of this firebrand editor and publisher with new and never before published letters, interviews, and other personal material from Grier's own papers. Passet takes readers behind the scenes of *The Ladder*, offering a rare window onto the isolated and bereft lives lesbians experienced before the feminist movement and during the earliest days of gay political organizing. Through extensive letters between Grier and her friend novelist Jane Rule, Passet offers a virtual diary of this dramatic and repressive era. Passet also looks at Grier's infamous "theft" of *The Ladder's* mailing list, which in turn allowed her to launch and promote Naiad Press, the groundbreaking women's publishing company she founded with partner Donna McBride in 1973.
