I know that failure is a blessing, and if you do not pass by it, you cannot succeed and discover yourself. When you fail in something, this does not mean the end. If you make it a lesson for the beginning, review your current situation and change the strategies whenever you feel their uselessness. We all go through failure and many of us consider failure a curse. On man, but if failure does not exist, we lose experience and expertise in reaching the goal we want
