ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- The most student-friendly, contextual, and inclusive survey is now personalized, digital, and mobile for today's students. Art History 5th edition continues to balance formal analysis with contextual art history in order to engage a diverse student audience. Authors Marilyn Stokstad and Michael Cothren- both scholars as well as teachers- share a common vision that survey courses should be filled with as much enjoyment as learning, and that they should foster an enthusiastic, as well as an educated, public for the visual arts. This revision is the strongest and most comprehensive learning program for measuring student progress and improving student success in attaining the outcomes and goals of the art history survey course. Not only does the text address four overarching goals of the survey course, the new MyArtsLab further develops and reinforces these outcomes and skills with market-leading learning tools such as personalized study plans for each student and multimedia assets geared towards addressing different learning styles and abilities, such as chapter audio, student videos, Closer Looks, architectural panoramas and much more. The end result is a complete learning program designed to increase students' success with a personalized, digital and a highly mobile learning experience. This beautifully produced survey of over a thousand years of Western art and architecture introduces the reader to a vast period of history ranging from ancient Rome to the age of exploration. The monumental arts and the diverse minor arts of the Middle Ages are presented here within the social, religious, and political frameworks of lands as varied as France and Denmark, Spain and Turkey. Marilyn Stokstad also teaches her reader how to look at medieval art—which aspects of architecture, sculpture, or painting are important and for what reasons. Stylistic and iconographic issues and themes are thoroughly addressed with attention paid to aesthetic and social contexts. Significantly updated, this second edition of *Medieval Art* spans the period from the second to the fifteenth centuries and includes over 4000 illustrations, over 100 in color, detailed maps, a time-line, glossary, bibliography, and index—all in a larger 8 by 10 inch trim size.

Art History Portable Edition by Marilyn Stokstad offers exactly the same content as *Art History, Third Edition* but in smaller individual booklets for maximum student portability. The combined six segment set consists of four booklets that correspond to major periods in Western art and two that cover global art. Each book is available individually, making them ideal for courses focused on individual periods. Book 5: *Art History: A View of the World* can be used for such courses as: Art of South and Southeast Asia after 1200 Chinese and Korean Art after 1279 Japanese Art after 1392 Art of the Americas after 1300 Art of Pacific Cultures Art of Africa in the Modern Era Book 1: *Art History: Ancient Art* Book 2: *Art History: Medieval Art* Book 3: *Art History: A View of the World Part One: Asian, African, and Islamic Art and Art of the Americas* Book 4: *Art History: Fourteenth to Seventeenth Century Art* Book 5: *Art History: A View of the World Part Two: Asian, African, and Oceanic Art and Art of the Americas* Book 6: *Art History: Eighteenth to Twenty-First Century*

Marilyn Stokstad's landmark survey has been thoroughly revised and updated with heavily reworked sections on Renaissance, Baroque and Modern art as well as a completely new design and larger and more numerous illustrations.
