The Bill of Rights for Artists sets out in precise detail the rights an organiser can claim. We have also written an Organisers Guide to the Bill of Rights; if you are an organiser you can use that guide to help you draft the terms and conditions with regard to the rights you need to promote your competition. It will also advise what you should include in the competition terms and conditions to provide legal protection against the various claims that could arise from running a competition.

Artist's Resale Right gives creators of original works across their lifetime, and for 70 years after their death, the right to a payment when their work is resold in the secondary market with the involvement of an art market professional. The rules, which came into force via an EU directive in 2006 updated in 2011 (see box, below), apply to works sold in the UK or another country in the European Economic Area (EEA) by an artist in the region.

Guide to Artist's Resale Right
This guide has been written to help organisers of competitions seeking creative works construct terms and conditions that specify the usage rights they need for works submitted to their contests. Sample terms and conditions are provided and the guidance is written such that the terms and conditions created will comply with the standards set out in the Bill of Rights For Artists .
