Lesson Hook/Preview After the Boston Tea Party in 1773, British troops quartered in the town of Boston using their warships to keep Boston harbor closed. These actions cut off trade, crippled the economy, and put colonists out of work. British soldiers and colonists, now living in proximity, frequently brawled in the streets and in the taverns.

At four in the morning on April 19, 1775, a line of British soldiers stared across the village green of Lexington, Massachusetts, at a crowd of seventy-seven American militiamen. A shot rang out, and the Redcoats replied with a devastating volley. But the day that started so well for the king's troops would end in catastrophe: seventy-three British soldiers dead, two hundred wounded, and the survivors chased back into Boston by the angry colonists. Drawing on diaries, letters, official documents, and memoirs, William H. Hallahan vividly captures the drama of those tense twenty-four hours and shows how they decided the fate of two nations.

One April in Boston is the story of a real American family and a gift that was passed down from generation to generation. It teaches American history, the power of imagination, and the value of goal setting. In this unique book you will learn the real story of Paul Revere's midnight ride; witness the first shots of the American Revolution; attend the reading of the Declaration of Independence in Boston on July 18, 1776; visit the Paul Revere House in 1909; and much more. After researching his Boston ancestors for six years, author Ben Edwards has crafted a tale that not only tells their story by tying in real connections to Paul Revere and Abraham Lincoln, but honors his relative Private Philip Edwards by revealing the gift he gave to the neighborhood children before leaving for France to fight in World War I and passing into legend. When the story begins in April 1775, 10-year-old Ben Edwards carries a spyglass that once belonged to his grandfather, an early Boston sea captain. Ben believes he can glimpse the future through its lens. His goal is to work on a sailing ship and see the world. Can the spyglass and a member of the Sons of Liberty help Ben on his journey? Will his predictions about the future come true? By reading the book you'll discover that Ben's gift is something we all possess, a power that can

help you on your own life's journey—if you believe in it.

See the revolution through the eyes of contemporary artists! Most images depicting the American Revolution are historically inaccurate nineteenth- and twentieth-century recreations. Historian Arthur S. Lefkowitz is working to change this. Lefkowitz gathered images from artists who were on-site for these pivotal moments in our nation's history. His research in museums and private collections in the United States, Canada, and England spanned years and brought together both professional and amateur artist renditions, including those from British soldiers. With over 60 examples of "eyewitness" artwork, Lefkowitz draws readers into our nation's fight for independence, appealing to those interested in American history and art history alike.

Howard Fast's bestselling coming-of-age novel about one boy's introduction to the horrors of war amid the brutal first battle of the American Revolution On April 19, 1775, musket shots ring out over Lexington, Massachusetts. As the sun rises over the battlefield, fifteen-year-old Adam Cooper stands among the outmatched patriots, facing a line of British troops. Determined to defend his home and prove his worth to his disapproving father, Cooper is about to embark on the most significant day of his life. The Battle of Lexington and Concord will be the starting point of the American Revolution—and when Cooper becomes a man. Sweeping in scope and masterful in execution, *April Morning* is a classic of American literature and an unforgettable story of one community's fateful struggle for freedom. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

Tells the story of the convention including events that led up to the Second Continental Congress.
