**Buy Braunwald’s Heart Disease: A Textbook of –**

Braunwald is Braunwald. I don’t need to review the book because it is the leading authority from which all cardiologists get their education after training. Unfortunately, I didn’t pay attention and forgot that it comes as a set of 2 books or as 1 big textbook which I always prefer. Not their fault though. Anyway, if you are in the medical field and want to have “the cardiology bible”, look no ...
