Business Management teaches students how to successfully launch and manage a business. By dissecting case studies, examining successes and failures in the context of the market, and observing the tactics used by today's most successful small business ventures, students can develop the skills that will give them a unique advantage in a hotly competitive environment.

The impact of the financial crisis on business firms and on government involvement in the economy is analyzed in Chapters 1 and 2, and in other chapters as well. The sixth Canadian edition of Business Essentials incorporates many of the changes suggested by professors and students who used the fifth edition.
