A step-by-step approach to delivering results Michael Barber, former chief advisor on delivery to British Prime Minister Tony Blair, and his colleagues thoroughly describe his proven reform delivery processes in this practical field guide. Citing education reform case studies from more than 20 countries, he asserts that most previous reforms were unsuccessful due to failed implementation. The central challenge is getting it done. This book focuses on how to accomplish meaningful results, including: Significant and ongoing education reform Excellence and equity across public education Students who are prepared to lead America's future

More than half of 9th graders in the United States will never complete a college degree. High schools must do more than prepare some students for college: They must prepare all American youth for productive lives as well as continued learning beyond high school. In this timely volume, two educational leaders advocate for a more meaningful high school experience. To accomplish this, the authors argue that we need to change the focus of our current high school reform efforts from "college for all" to "careers for all." This work shows how schools can prepare young people both for the emerging workplace and postsecondary education.

Whether you are in the ninth grade or completing your senior year, high school is a very exciting time for students and parents. There are numerous opportunities available to students in high school; however, students and parents must determine which educational plan best fits their student. The High School Rubric is a guide that provides valuable information on how to navigate the high school process. Students and parents are provided with resources that will guide them on making choices that will better prepare them for the successful transition for life after high school. Additionally, the guide includes expert advice on study skills and time management. There is also guidance on gap year, military, college options, and financial aid. No matter where you are in high school, The High School Rubric can offer guidance.
