The Piano Concerto No 2 in D minor was completed on 17 December 1832. Its key undoubtedly reflected Potter’s love of Mozart’s K466 piano concerto (which had also been a favourite of Beethoven’s) as well as the sound world of Don Giovanni. with which it shares a dramatic affinity.. Furthermore, Potter may have also been drawn to this key through Sterndale Bennett’s youthful yet ...

Flute Concerto No. 2 in D major. Now, this one's a bit odd: it was originally written for the oboe. It seems that Mozart was in a bit of a spot, in that he was commissioned to write three flute concertos for a Dutch flautist, but was one short. So, cheekily, he decided that he would simply rearrange his oboe concerto from the year before (1777), with a few alterations to the melodies to make ...

Are you a visual learner? Than Teach Yourself VISUALLY Macs is the book for you! This resource: Offers a perfect introduction for visual learners looking to gain a general understanding of Macs and some of the common peripherals associated with them. Demonstrates everything you need to know about transitioning from Windows to a Mac, using iPhoto, creating home movies with iMovie, and connecting all those cool devices, like the iPhone or iPod, so you can maximize iTunes. Shows you how to browse the Web with Safari and use iCal to track appointments, and what to do if something should ever go wrong. Includes full-color, rich screen shots and illustrations as well as step-by-step instructions clearly explain how to get the most from your Mac.

Offering comprehensive coverage of classical music, this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers, as well as twenty-three essays on forms, eras, and genres of classical music. Original.

The greatest musical prodigy since Mozart (some would say he was even greater), Felix Mendelssohn (1809-1847) excelled in everything he did, musical or otherwise, and during his brief life became Europe’s most respected and beloved composer. Yet no musician suffered more drastic swings in his posthumous reputation, and as a result Mendelssohn’s music was obscured by a host of extra-musical factors: changes in taste, the rise of nationalism, anti-Semitism, and contempt for Victorian culture. This “owner’s manual” offers a guide to Mendelssohn’s musical output, major and minor, providing points of entry into a large body of work, much of which remains far too little known. There’s much more to Mendelssohn than the “Italian” Symphony and the “Midsummer Night’s Dream” Overture, and a whole creative world of vivid, expressive, and fantastical music is ready for exploration.

The second edition of The American Piano Concerto Compendium reveals to professional and amateurs pianists forty percent more works than the first edition from 1985. It is a valuable resource not only for pianists and conductors, but also for orchestras, teachers, students, music historians and critics, collectors, and concert attendees.

An extraordinary prodigy of Mozartean abilities, Felix Mendelssohn Bartholdy was a distinguished composer and conductor, a legendary pianist and organist, and an accomplished painter and classicist. Lionized in his lifetime, he is best remembered today for several staples of the concert hall and for such popular music as "The Wedding March" and "Hark, the Herald Angels Sing." Now, in the first major Mendelssohn biography to appear in decades, R. Larry Todd offers a remarkably fresh account of this musical giant, based upon painstaking research in autograph manuscripts, correspondence, diaries, and paintings. Rejecting the view of the composer as a craftsman of felicitous but sentimental, saccharine works (termed by one critic "moonlight with sugar water"), Todd reexamines the composer's entire oeuvre, including many unpublished and little known works. Here are engaging analyses of Mendelssohn's distinctive masterpieces--the zestful Octet, puckish Midsummer Night's Dream, haunting Hebrides Overtures, and elegiac Violin Concerto in E minor. Todd describes how the composer excelled in understatement and nuance, in subtle, coloristic orchestrations that lent his scores an undeniable freshness and vividness. He also explores Mendelssohn's changing awareness of his religious heritage, Wagner's virulent anti-Semitic attack on Mendelssohn's music, the composer's complex relationship with his sister Fanny Hensel, herself a child prodigy and prolific composer, his avocation as a painter and draughtsman, and his remarkable, polylingual correspondence with the cultural elite of his time. Mendelssohn: A Life offers a masterful blend of biography and musical analysis. Readers will discover many new facets of the familiar but misunderstood composer and gain new perspectives on one of the most formidable musical geniuses of all time.
