STONEFIRE DRAGONS #9 Teagan O ' Shea is a rare female dragon-shifter leader. While her Irish clan has a tradition of female leaders, they have had to hide behind a public male face for centuries to keep the other clans from viewing them as weaker and attacking. When the truth leaks, Teagan is faced with a choice—hand over the leadership to a male or invite the challengers to a leadership trial and earn her place. Out to prove having a penis isn ' t required to be a leader, she picks the latter. Aaron Caruso is sent to Ireland under the guise of repairing relations between two clans on the isle of Ireland. However, upon arrival he learns the truth. Determined to secure Teagan ' s place so he can escape her alluring eyes and addicting personality, he busies himself with helping her any way he can. A female used him once and he ' s not about to go through that again, no matter how much the Irish female tempts him. As the pair work together on preparations for the leadership trial, both Aaron and Teagan start to see each other in a new light. Both have their own self-imposed loneliness and yearn for something they can ' t have. Can Aaron and Teagan not only change tradition but also open their hearts? Or will they each be doomed to live alone to fight their inner battles?

STONEFIRE DRAGONS BOOK 2 On her first visit to Clan Stonefire, Department of Dragon Affairs inspector Evie Marshall has an ulterior motive--she needs to seduce its clan leader. If she can't seduce him and become his mate, the dragon hunters will kill her. Of course, Evie doesn't know the first thing about seducing a man, let alone a dragon-shifter, but with her life on the line, she's going to have to become a fast learner or die trying. Bram Moore--Llewellyn has a track record of scaring off DDA inspectors, but when the latest inspector shows up wearing tight clothes and a sexy smile, his inner dragon takes notice. While battling his attraction to the human, he soon finds himself with an impossible choice: he can either break the law to mate the female and risk a backlash from both the dragon hunters and the British government, or he can turn her away and let her die at the hands of the hunters. If someone had told Dawn Chadwick that she ' d be attending a play put on by children on a dragon-shifter ' s land a year ago, she would ' ve said they were mad. However, her daughter Daisy has slowly worn Dawn down about her prejudices and she ends up volunteering to help with the play. She ' s to assist a recluse dragonman with the special effects. What she didn ' t count on was her daughter ' s meddling, Blake Whitby prefers working in a lab to being around people. He ' s a rare white dragon with a black spot, and the attention from a young age has made him hide from others. However, he ' s always had a weakness for children and agrees to help them with their play. What he didn ' t count on was meeting a beautiful human with a sense of humor and a heart-warming smile. His dragon wants her, but Blake holds back. At least until two kids make holding back impossible. While Dawn agrees to the mate-claim frenzy with Blake, there ' s no guarantee their pairing will work. And when Dawn ' s family threatens her happiness, Blake has to stand by his mate and fight for the family he never knew he wanted.

Finally divorced and free of her bastard ex-husband, Sarah MacKintosh Carter looks forward to living with the Scottish dragon clan and attempting a normal life. If she leaves, she knows her former in-laws will be determined to take custody of her sons. So the countdown begins on finding a dragonman to mate her. There ' s just one rule: no falling in love so she can protect her heart. Hudson Wells hasn ' t stopped thinking about the female he met by chance two years ago—she ' s the only one he ' s wanted in his life and his bed since the loss of his late mate. When the chance comes to claim Sarah as his own, Hudson puts his name forth to be her mate. Now he just needs to convince her. Despite the fact she ' s divorced, Hudson soon discovers that Sarah was neglected, so he makes it his job to prove how desirable she really is. As Hudson does his best to persuade Sarah of how they ' re combustible together in bed and a good team as parents out of it, her past comes back to haunt her.
