But the elves are knocking at their door, demanding reparations, and with a new general at the helm, they will not let Dragonfell off the hook so easily. To buy their kingdom time, and save their armies from certain destruction, Dareena and Alistair allows themselves to be taken to Elvenhame, where they will be held hostage until the countries can come to an agreement. But while the two kingdoms squabble, the real enemy

Three dragons. One woman. A reverse harem fantasy that will leave you breathless and begging for more... Dareena Sellis is a nobody. The orphaned daughter of a no-name farmer, she toils away as a serving girl at Hallowdale Inn, her only marriage prospects either shipping off to war, or pawing at her skirts with their grubby, gnarled hands. But fate takes a strange turn the day a dragon huntress comes to town. Suddenly, Dareena is

swept off to Dragon's Keep, trading in her raggedy dresses for silken gowns, her closet-sized room for feather pillows and spacious gardens, and her miserable suitor for three very handsome, very virile dragon princes. For Dareena is not a nobody. She is the Dragon's Gift--the one woman chosen by the gods every century to bear children for the future king of Dragonfell. Despite her pre-ordained path, Dareena's fate is far from certain. The crown has not given birth to more than one son in nearly a thousand years, and the line of succession is far from clear. Neither of the princes are willing to cede Dareena to the other, and yet she must choose. For the enemy is knocking on Dragonfell's door, and Dareena's decision could either mean the kingdom's salvation... ..or

Wild. Dangerous. Deadly. The realms are all those things and more. But Kadelynn's more afraid of the monster in her house than the dangers of the realms. She knows of only one way to free herself from a horrifying marriage, but it'll require all her skills to succeed. And maybe even the help of a Seer. Draven can wield magic, kill with a thought, and hates her kind... she's also just hired him to be her guide to find and slay a creature of fantasy. If that wasn't enough, she dreams of three men and a destiny of dragons. A rebirth of the creatures who were wiped from the sky long ago. What part she'll play in the fate of the dragons, she doesn't know, but fate seems to be pulling her ever closer to something that will change

Just when Sophia thinks she's got a handle on things going on in the dragon town, her whole world is rocked, quite literally. While Sophia, Gale and Topaz "get to know" each other more intimately, things at the school they're camping out at have taken a turn for the worse. A group of dragon rebels were supposed to arrive today, but they never did, making everyone worry that they might have been caught by the deserter fae soldiers roaming the area. As Sophia makes it back to the school, she finds out that the parents of Gaia, the little earth dragon orphan, went missing last full moon and it's another full moon tonight. Then more bad news reaches her, another two sets of parents have

gone missing. Sophia and her men try everything in their power to find out why earth dragons are going missing, what's happening to them. Why can Gaia still sense her parents when they're not there? And what does a magically locked room at the local library have anything to do with it? This is the fourth novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, "I need tissues NOW" moments, cries of "why, oh, why" and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the other series. Both series can be read stand-alone, they are about different

I am a dragon who hates dragons. The dragons murdered my family. The dragons stole me. The fae purchased me. My mates saved me. My mates imprisoned me. They think they're keeping me safe. They think they know what I need. What all delicate, feminine, gold dragons need. A comfortable den. A well-stocked pantry. Twenty children. That's not what this gold dragon needs. This gold dragon needs blood. This gold dragon needs revenge. The (Not) Cursed Dragon is book one of the Deadly Dragons Duet. It is a slow burn, reverse harem romance for readers 18+ TW: Flashbacks of abuse

Just when Sophia thinks she's got a handle on things going on in the

Dragon town, her whole world is rocked, quite literally. The town Sophia grew up in is in a very bad state. Earth dragons are going missing, leaving young kids orphaned, and nobody knows what's going on or where they're taken. To make it even worse, a group of rebels who were supposed to bring supplies to the town haven't shown up, making everyone worried that they've been caught by the renegade fae soldiers. Sophia and her men turn to an unusual source in their desperation to find answers, a magically sealed room at the hidden dragon library. A place nobody has been able to get into in decades. When Sophia manages to finally unlock the room with a spell passed down from her witch father, everything she thought she knew changes. It seems her father was involved in

things that nobody had any idea about, showing a side to him that Sophia doesn't know how to combine with what her mother told her about him. To top it off, she's confronted with a half-sister she had no idea existed, a half-sister with fae and witch blood. Can Sophia and her men find out what happened to the missing earth dragons? And how much is Sophia's father involved with what's going on in the town right now? But most importantly, can they heal the town and the people in it, so that they can thrive again, like they used to? This collection includes the second three novellas in the Guarding Their Dragon Mate serial, Captured Dragon, Reclaimed Dragon and Ferocious Dragon, a six episodes long reverse harem #WhyChoose story. These novellas may include any of these

This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the first 10 parts of the other series. Both series can be read stand-alone, they are about different characters, but they are connected.

Dragon hoards are supposed to be a beacon of unity, but Sophia isn't so sure of that as her hoard seems out to kill each other. When Sophia and her men arrive at the dragon town, the night is young, as fate seems keen to point out. First, she kisses one of her guys, and almost gets him killed by one of the others. It won't be the last time someone attempts that. Second,

she hopes to get them all on the same page as she reveals that all four men are part of her hoard, her fated mates. That went over well! Third, she finds a little dragon in the streets, hungry, tired, alone. An orphan. Just like her. Returning home brings back many memories for Sophia, good and bad ones. But it also means she has to confront other things from her past, like the people she left behind, old friendships, old pain. Can she keep her head cool as the leader of their rebuilding mission, while caring for a young orphaned dragon and regaining the trust of old friends? This is the third novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, I need tissues NOW moments, cries of why,
