This 9th edition features a major new case study developed to help illuminate the complexities of shafts and axles.

What's Your Green Goldfish is based on the simple premise that employees are the key drivers of customer experience and that "Happy Employees Create Happy Customers." The book focuses on 15 different ways to drive employee engagement and reinforce a strong corporate culture. It's the second book in the goldfish trilogy. The first book was an Amazon Best Seller entitled, What's Your Purple Goldfish. Purple focused on customers, whereby Green focuses on employees. Both books are based on a revolutionary new approach called marketing g.l.u.a. (marketing by giving little unexpected extras). The book is based on the findings of the Green Goldfish Project, an effort which crowd sourced 1,001 examples of signature added value for employees. Key themes emerged from the Project. The book is filled with over 200 examples. PRAISE FOR WHAT'S YOUR GREEN GOLDFISH "Stan is the sherpa that guides executives along the journey between the heart and mind of business stakeholders. Stakeholders aren't always customers though. At a time when company vision and culture matters more than ever, it takes inspired and engaged employees to bring them to life." - Brian Solis, author of What's the Future of Business #WTF, The End of Business as Usual and Engage "So often overlooked, and so very vital to building company value... empowering employees to support each other and the brand. Stan Phelps 'gets' it and Green Goldfish will walk you step-by-step though achieving this critical goal." - Ted Rubin, author of Return on Relationship "Great customer centric organizations only exist because of engaged and empowered employees. The Green Goldfish is packed with awesome examples of what world class companies are doing today to inspire and reward their employees. If you see value in truly building an "A Team," Green Goldfish will be, without question, your single best reference." - Chris Zane, Founder and President of Zane's Cycles, author of Reinventing the Wheel, the Science of Creating Lifetime Customers "Stan Phelps takes customer service to a whole new level by focusing on EMPLOYEE service, and how to do well by your employees - so they take care of your customers. Packed with stories, insights and R.U.L.E.S. any company can follow, this book is a must-read for managers of companies of all shapes and sizes who know that employees don't leave jobs - they leave managers, especially when they don't feel your love and appreciation. Pick this up, and start engaging your team and making more GREEN - Phil Gerbyschak, author of The Naked Truth of Social Media "Our large-scale research shows unequivocally that engaged employees are more likely to work longer, try harder, make more suggestions for improvement, recruit others to join their company, and go out of their way to help customers. They even take less sick time. Companies can tap into the enormous value of engaged employees by following the 15 ideas that Stan lays out in this book." - Bruce Temkin, author of The Six Laws of Customer Experience "Too often, the actual employment experience delivered on the job does not measure up to the version sold to job candidates during the interview process. In What's Your Green Goldfish, Stan Phelps offers 15 ways to close the gap." - Steve Curtin, author of Delight Your Customers: 7 Simple Ways to Raise Your Customer Service from Ordinary to Extraordinary (AMACOM, June 2013) "In What's Your Green Goldfish, Stan Phelps brilliantly applies the idea of 'doing a little something extra' for employees. You know, those people that actually get the work done and keep customers happy. Read it, put some of the ideas to work, and soon you'll be reaping more 'green' from your customers." - Bob Thompson, Founder and CEO, Customer Think Corp.

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls " grit. " " Inspiration for non-genius everywhere " (People). The daughter of a scientist who frequently noted her lack of " genius, " Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she ' s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. " Duckworth ' s ideas about the cultivation of tenacity have clearly changed some lives for the better " (The New York Times Book Review). Among Grit ' s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is " a fascinating tour of the psychological research on success " (The Wall Street Journal).

Following the organization of the main text, this essential resource provides additional out-of-class practice, with four parts to each unit. Fran ç ais écrit and Fran ç ais parle contain written and listening activities, respectively, for all three lessons in a unit. Vie pratique offers both written and listening activities based on the cultural magazine section, and Images du monde Francophone provides written and listening activities based on the cultural magazine sections. Revision tests appear after Unites 3, 6, 9, and 11. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

#1 NEW YORK TIMES BESTSELLER » ONE OF TIME MAGAZINE ' S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can ' t resist – books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. " The kind of book that can be life-changing. " —The New York Times " Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank. " —USA Today DON ' T MISS BRIDGE OF CLAY, MARKUS ZUSAK ' S FIRST NOVEL SINCE THE BOOK THIEF.

Acclaim: "The language is understated, but quietly beautiful, and I find myself invested in Jabonkah as she's portrayed on the page, not only because of what happens to her, but because of her view of the world, sometimes sweet and sometimes shrewd, and always strong." Rebecca, agent "The story is compelling and the writing is extremely strong-some of the metaphors are wonderfully original. Moreover, the author manages to capture the child's voice perfectly." Valeria, professor Description: Jabonkah Sackey's only desire in life was to be like her mother and to be left alone. However, being born deep in the African bush in 1948, her desires didn't really matter. Cursed with an abusive father, Jabonkah was saddled with the plans he had for her. Instead of being a "stupid bush woman" like her mother, she was going to learn to obey. But after repeatedly disappointing and rebelling against her father, he sets forth on a rampage targeting her mother and nearly beats her to death. After stepping in to save her mother and scalding her father with boiling water in the skirmish, Jabonkah's fate is unfortunately sealed. She is sent to the Society as punishment, where women from her own tribe perform the ritual of female circumcision. Six weeks later, Jabonkah returns home to the continued beatings until she is eventually disowned and sent away to live with a missionary by the name of Mother Stevens. Unfortunately, it's with Mother Stevens that her real struggle begins. Will Jabonkah escape the oppression and misery that is ruling her life, or will she succumb to her depression? Set against the harsh setting of mid-century Africa, Driving the Birds takes readers on a journey from small villages in Liberia to African missions, and eventually the United States. With this particular backdrop, Jabonkah's story brings many issues to light that affect countless women around the world. By documenting the horrible genital mutilation that she suffers in detail, Driving the Birds aims to bring about further awareness to an issue that is still prevalent today. Though the subject matter can be intense and discouraging at times, Jabonkah uss her faith and an uncommon personal resiliency to keep the story from setting into a despondent manner. With true personal freedom as her goal, Jabonkah is able to overcome numerous obstacles and a lifetime of hardships in route to achieving her dreams and ensuring her happiness. Driving the Birds by Russell Traugbber is the uplifting true story of one woman's courageous journey from a small village in Liberia to the freedom that America offers. With unmistakable charm, unwavering determination, and a truly unique worldview, Jabonkah enthralls readers with each passing chapter. Her personal journey and repeated injustices are equal parts heartbreaking and infuriating. From repeated abuses at the hands of others and the subjection to female genital mutilation, Jabonkah's plight provides a window to the sufferings of less fortunate women around the world. However, where parts of her story enrage and discourage, it's her spirit and determination that ultimately leave readers feeling like they have taken part in Jabonkah's triumphs as well.
