DSC PC5010 (Power 832) Installation Manual

The DSC 832 has been used for DIY alarm systems and professional installations for years. Its great features, ease of programming and reasonable price made it a favorite of many in the alarm business. The DSC Power 832 security system is no longer in production, although systems are still available from several vendors.

PC5010 Installation Manual

Check for power failure. This is the most common reason for DSC alarms to unexpectedly ring. Check if the lights on the property are working to ascertain if the power is currently on. If the power is out and the alarm is ringing, this indicates that the batteries in the alarm system are dead and need to be replaced.
