[Books] Elementary Art Student Reflection Paper If your students blog about their art as mine currently do, you understand the rich reflection that blogging can produce. When students reflect on both their finished pieces and the processes they went through to create them, they tend to communicate more in writing than they would in a class critique. As you read the writing, you discover much about the art and the student's reason for ...

This is called specular reflection but with children we just call it mirror reflection (Figure 2a and 3a). Mirrors have a very smooth surface. In figure 3a we caught this reflection on a piece of paper. On the other hand, when we shine the light of a laser pen on paper, the light spot can be seen from all directions (figure 3b).
