English as an additional language (EAL) is a contemporary term (particularly in the United Kingdom and the rest of the European Union) for English as a second language (ESL): the use or study of the English language by non-native speakers in an English-speaking environment. The term English as an additional language acknowledges that students are already competent speakers of at least one home language.

Abstract. This study seeks to investigate how the language of learning and teaching (LoLT) affects learners' reading comprehension. Two primary schools were chosen, one where the home language (IsiXhosa) was the medium of instruction from Grade one to three, with English as a taught subject or First Additional Language and another school where English (First Additional Language) was the medium of instruction from Grade one, with the home language (IsiXhosa) as a taught language were ...

Home Language versus First Additional Language Instruction ...

"Basically, we can divide up countries according to whether they have English as a native language, English as a second language, or English as a foreign language. The first category is self-explanatory. The difference between English as a foreign language and English as a second language is that in the latter instance only, English has actual assigned communicative status within the country. All told, there is a total of 75 territories where English has a special place in society.
