The Gentlemen Prefer Succubi By: Jill Myles. CHAPTER 1 It had obviously been one hell of a night if I couldn't recall why I was waking up in a Dumpster. I blinked a few times, staring at the sky overhead. A Dumpster? Surely not. But between the flies, the stench, and the garbage bags surrounding me, I didn't know what else it could be.

Who Knew An Angel Could Get A Girl In So Much Devilish Trouble? Jackie Brighton woke up in a Dumpster this morning, and her day has only gotten weirder. Her familiar B-cups have somehow become double Ds, her sex drive is insatiable, and apparently she had her fi rst one-night stand ever...with a fallen angel. All she remembers is gorgeous Noah's oddly hypnotic blue eyes...and then a dark stranger whose bite transformed her into an immortal siren with a sexy Itch. With help from Noah, Jackie begins to adapt to her new lifestyle -- until she accidentally sends Noah into the deadly clutches of the vampire queen and lands herself in a fi erce battle for an ancient halo with the queen's wickedly hot righthand man. Who just happens to be the vampire who originally bit her. How’s a girl supposed to save the world when the enemy’s so hard to resist?

IT SUCKS TO BE HER. Living as a succubus has a bit of a learning curve, but with sexy fallen angel Noah to scratch her sensual Itch, Jackie Brighton is finally starting to feel ahead of the game. She almost doesn’t miss her gorgeous vampire master Zane—or his sinful, teasing mouth. She’s trying to convince herself of that, anyway. But Jackie’s past mistakes catch up with her, spinning her life out of control once more. Just as her friend Remy’s inner demon comes out to play, Noah and Jackie are arrested by the angelic Serim Council. When Jackie seizes the chance to escape, she falls right into Zane’s waiting arms. As she’s pulled into a game of cat and mouse between vampires and angels, she finds she must also choose between the two men in her life. Can she decide between Noah and Zane, or will she lose everything she’s ever wanted? Because there’s more at stake than just her heart. . . .

Jackie Brighton’s life as a succubus is going great: she’s gone from mousy to bombshell, and although she has to have sex every forty-eight hours or die, she has two hot guys—the vampire Zane and the angel Noah—to scratch her Itch. But then her Itch accelerates to every twenty-four hours, and she’s suddenly waking people’s unconscious just by touching them. Something’s out of control so she and Remy, her mentor, go on an adventure-filled road trip to New Orleans to consult with the oldest succubus in the United States. Jackie learns she’s been cursed by a vampire queen—and reversing the curse demands a price she’s not willing to pay.

Tasked by the Archangel Gabriel, Jackie Brighton must find two more lost archangel halos before she's free of her deal. But she's not the only one hunting for the immense power the halos bring, and everyone around her has motives - succubi, serim, and vampire. It's a race to the finish line, and only one person is going to come out on top. But will Jackie stand tall when even her allies are set to betray her? Noah Gideon is back, and he's never liked taking 'no' for an answer. The mysterious assassin Sophie is helping out, but Sophie has her own agenda. So does Jackie's newest rival, the ancient hetaera Phryne, who wants to use the halos to give a new world to succubi everywhere - one that doesn't involve their masters. Every immortal wants those halos, but Jackie's not sure they're worth her life, or Zane's freedom. But she might not have a choice...

A rebel army has been established to win back the land from demons-and a ne soldier named Xan has appeared out of nowhere to join them. Beautiful army captain Laisyn Caar is shocked by the powerful, all- consuming desire she feels in his presence, but when she discovers the dark secrets of Xan's agenda, she'll have to determine whether the man she's starting to love is a friend of her people-or a dreaded enemy.

The man of her dreams might be the cause of her nightmares. Six months ago, Abby Sinclair was struggling to pick up the pieces of her shattered life. Now, she has an enchanted iPod, a miniature unicorn living in her underwear drawer, and a magical marketplace to manage. But despite her growing knowledge of the OtherWorld, Abby isn't at all prepared for Brystion, the dark, mysterious, and sexy-as- sin incubus searching for his sister, convinced Abby has the key to the succubus's whereabouts. Abby has enough problems without having this seductive shape-shifter literally invade her dreams to get information. But when her Faery boss and some of her friends vanish, as well, Abby and Brystion must form an uneasy alliance. As she is sucked deeper and deeper into this perilous world of faeries, angels, and daemons, Abby realizes her life is in as much danger as her heart—and there's no one she can trust to save her.

After she injects L.O.S.T. operative Nikko Cruz, the only man she has ever loved, with immortal blood serum to save his life, half-daemon Selena Guererro, who has secrets she would kill for, goes on the run from this man who believes that she killed their daughter. Original

Bestselling author Joelle Sterling concludes her vampire trilogy as a young woman must decide between love and saving her world. In the town of Frombleton, government and law enforcement are run by vampires, and humans can’t get justice—particularly after the sun goes down. Holland Manning has been studying witchcraft at the elite Stoneham Academy. Having reached the rare pinnacle of Witch of the First Order, Holland is the only human who has the power to thwart the vampires’ heinous designs. She alone can save the town’s residents. While devising a plan to overthrow the vampire regime, Holland is appalled to discover that another threat to humans has found its way to Frombleton: a growing band of ravenous zombies are prowling the streets, devouring the vampire’s food source and challenging their seat of power. And to Holland’s horror, at the helm of the marauding flesh eaters is the recently returned love of her life, Jonas! No matter who wins, the human race is doomed unless Holland can make the arduous decision to choose victory over love.
