This book is uniquely original and can be personalized with any girl's name. How fun is that? Over 500 book names already published on Amazon! Think of the possibilities: baby or shower gifts, birthdays, a special something from grandma, and more. You can purchase the book's title as shown (this book is in AVERY'S NAME), OR you can request a new book be published in the name you desire. It's easy to order in 3 steps: 1. Go to estorytime.com BEFORE placing your Amazon order to let Melissa know the name you want personalized on your book. 2. Click on the "Personalize It" tab and add the name and book title you would like. Send this information to Melissa. 3. Melissa will take care of the rest. She will publish your new book title on Amazon, and once published, will get a link from Amazon to email to you. Once you receive this link, you can order your book just like any Amazon product. Easy! We've taken the worry out of the process and your child will be thrilled with the final product. Who doesn't like to see their name on the cover or hear it related throughout the story? The author, Melissa Ryan, is the mother of five children and knows the importance of reading to your little ones. It instills a love of books and fosters an active imagination in the youngest of readers. Help start them on a path of discovery with Melissa's stories. The tale of Avery is perfect for bedtime, especially when unleashing the child's wonder by using her own name. This is a book that can be enjoyed over and over again, and will be remembered long after the last page is read and the lights turned out. Goodnight Avery and the Moon is beautifully illustrated with full color images that will hold your child's attention while you read the delightful story. Walk along with Avery through a day of happy smiles, sleepy-eyed dreams, and a bedtime that's sure to please. She will capture your heart, and the moments spent reading it together will build fond memories that will be cherished throughout the years. This is just one of several books offered by Melissa in her ever-expanding children's book series. You'll learn to love and appreciate the extra attention that goes into each volume. Special care is taken to keep the child's heart at the center of each story, helping them build character and learn something along the way. Help that special child in your life reach for the stars, and let Goodnight Avery into your home to cast a moonbeam over the most precious of your possessions. Build a binding relationship with the power of reading...you'll look back in awe at the foundations you've built. Please customize and purchase this book for a special little girl in your life today. With the resurgence of vinyl, going from strength to strength, album cover art is as important as it's ever been. This sumptuous book brings together 250 of the greatest album covers of all time and is arranged chronologically, beginning in 1956. Our judging panel, drawn from the great and the good of the music industry, has selected the final 275 entries, giving their reasons for selection to accompany the illustrations. From rock n roll to pop, R&B to jazz, blues and even folk, some of the album covers included are obvious classics, while others will surprise readers and jog memories. The chosen entries might not necessarily be of a best-selling release, but they are important artistically, stylistically or culturally. This fascinating book forms a wonderful visual record of this popular art form, and is an essential read for music fans the world over.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer put on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

This book is uniquely original and can be personalized with any girl's name. How fun is that? Think of the possibilities: baby or shower gifts, birthdays, a special something from grandma, and more. You can purchase the book as shown, using Faith in the title, or personalize it to suit your specific needs. Simply contact us at eStoryTime.com BEFORE placing your Amazon order and we'll take care of the rest. After contacting us, you'll still need to order the book through Amazon, so we'll send you a direct link to use when placing your order. It will assure the book is personalized with the name you've requested. We've taken the worry out of the process and your child will be thrilled with the final product. Who doesn't like to see their name on the cover or hear it related throughout the story? The author, Melissa Ryan, is the mother of five children and knows the importance of reading to your little ones. It instills a love of books and fosters an active imagination in the youngest of readers. Help start them on a path of discovery with Melissa's stories. The tale of Faith is perfect for bedtime, especially when unleashing the child's wonder by using her own name. This is a book that can be enjoyed over and over again, and will be remembered long after the last page is read and the lights turned out. Faith's Hiccup-ups Day is beautifully written and will hold your child's attention while you share this delightful tale. Tag along with Faith as she giggles, HIC's, and jumps her way through a day with the hiccup-ups. See the silly things her family suggests to solve her problem. It's a day filled with enough fun for everyone. Faith will capture your heart, and the moments spent reading it together will build fond memories that will be cherished throughout the years. Your little girls grow up all too fast: make lasting impressions while you can. This is just one of several books offered by Melissa in her ever-expanding children's book series. You'll learn to love and appreciate the extra attention that goes into each volume. Special care is taken to keep the child's heart at the center of each story, helping them build character and learn something along the way. Encourage that special child in your life to embrace what is truly unique, and sometimes funny, about their developing personalities. Spend a few minutes with Faith on her I-Didn't-Do-It kind of day and make bedtime special, while you create a binding relationship with the power of reading...you'll look back in awe at the foundations you've built. Please customize and purchase this book for a special little girl in your life today.
