MK is at her best weaving a story that is just addictive. We see Ulls redemption and his ability to love in the true sense and the realisation of what earth women have brought to his world and their lives. The journey of Their relationship is so real, enlightening and endearing that you can't help fall for Ull as he sees the error of his ways.

Grim is one of my favourite characters of M.K. Eidem and I love every story surrounding him, Lisa and their girls. Can only hope there are more to come. Miki shone in this book. Altogether, fab short story.

been dying ever since the great infection caused the birth of females to become a rarity. Since then they have been searching the known universes, for compatible females. The Emperor's discovery of a compatible female on a slave ship changed that. He has ordered Grim to find his Empress' home world so more 'unprotected' females could be obtained, knowing Grim would never be allowed to Join with one. Lisa Miller is a widowed mother of two little girls, Carly and Miki. Her husband died just a year ago, after a long battle with cancer and she misses him immensely. Friends want her to start dating again, but in her heart, she knows there isn't a man on the planet she could love like her Mark and who could love their girls as their own. Therefore, she'll stay alone. When Lisa is discovered 'unprotected' at her husband's grave site, she wakes on an alien ship heading for an alien world. Refusing to accept this she confronts the large alien males, demanding she be returned to her children. Seeing his chance to have a female, Grim agrees to accept and protect her offspring if she agrees to Join with him and only him. Realizing this is the only way she can retrieve her children, Lisa agrees and the Tornian Empire changes forever.

and worthy Warrior, he had always known that no female would ever Join with him. Too many looked down on his family because of his mother's refusal to leave his manno. He knew Ull would be able to overcome this because he was a first male and would one day be a Lord. Maybe even Vali, since he was a second male, but neither Ynyr nor his younger brother Zev would ever be acceptable to a female. The most they could hope for was to serve their House with honor but that all changed with the arrival of the females from Earth. Abby's life had not been an easy one, especially after the death of her family when she had been sixteen, but she had thought things were finally looking up. She was a year away from achieving her dream of becoming a teacher. Soon she would be making a difference in the lives of children others had given up on... that all changed when she was abducted by the Tornians. Ynyr and Abby had come together in the most unusual of ways, but that was just the beginning of their unique relationship. Together they had to do something no other Lord and Lady had to do. They had to take a House that had been destroyed by deceit and evil and turn it back into the worthy and respected House that it had once been. Will the secrets left behind by Bertos and Risa tear them apart? Or will it be Abby's secret and Ynyr's reaction to it that does?

Empire ever since the great infection, which struck over five hundred years ago and he feared he would be the last. The number of compatible females was dwindling faster than anyone knew. If they could not find compatible females soon, their entire civilization would cease to exist. It was the reason he agreed to meet with Liron, the Emperor of the Kaliszian Empire in Kaliszian space. It was the only reason they had crossed paths with a Ganglian ship leaving Tornian space, and it was the only reason that the small female was discovered. Could she be what they had been searching for? Wray found himself drawn to the small female he'd found beaten and abused on the Ganglian ship. She resembled a Tornian female but was much smaller. Could she be what he had been searching for? Kim Teel has had a hard life, at least she thought she had until her parents were suddenly killed and then her sister and brother in law disappeared. At nineteen, she realized she'd been protected from all of life's hardships. She had been cared for and loved her entire life had come to expect it. She was terribly spoiled. Determined to change her ways, Kim went looking for her sister, only to be captured by the Ganglians and it was then she learned what happened to the 'unprotected' females of the universe. Wray and Kim are both doing the same thing, trying to survive. But what they find is that there are more important things than just survival. And once they learn that,

Ull Rigel is a fit and worthy Tornian warrior, the first male of a powerful and respected Lord. Because of this, he'd always believed he'd be able to attract a female, securing his bloodline. But he hadn't. He hadn't even been able to attract one of the Earth females they'd discovered. But his younger brother, a third male, did. Now, the Emperor was sending Ull to Earth to protect it from the Ganglians who were abducting the females his brother warriors so need. Trisha Burke had plans for her life. Career. Family. Friends. But one moment changed all that. Her friend Lisa and Lisa's two children suddenly disappeared without any explanation. When local law enforcement couldn't find them, she reached out to the most powerful person she knew. The President of the United States, her Uncle. General Treyvon Rayner is the Supreme Commander of the Kaliszian Defenses. He is the cousin and trusted friend of the Kaliszian Emperor, Emperor Liron Kalinin, in spite of Treyvon's ancestor being one of the causes of the Great Infection so many centuries ago. It is never far from Treyvon's mind, and he vowed he'd spend his entire life trying to make things right. Chef Jennifer Neibaur dreamed of traveling to exotic places, of experiencing different cuisines, and learning how to prepare them. Her dream came true, but at a high price. She lost her sister. Her husband died. And she was severely injured. All that was enough for her to welcome death. But for a chef to end up in a place where food was just sustenance, and never something enjoyed, was the ultimate punishment. Two strong, honorable people are both trying to find forgiveness and redeem themselves for things that were out of their control. Neither is looking for love. But if

Before there was a modern-day town called Dark Moon Vale, there was an ancient kingdom nestled in the Transylvanian Alps. Before there was a primordial species called the Vampyr, there was a celestial race begotten of gods and men. Before light battled shadow, the sacrifice became mandatory, or the first Blood Moon adorned the celestial sky... There was The Curse. A punishment. An abomination. The ultimate act of vengeance. And it was placed upon a people so corrupted by their thirst for blood and dominion that they awakened the souls of the slain and became the souls of the damned: Young, beautiful, and in the prime of her life, Jessenia Groza is not ready to die. Yet she has been condemned by Prince Jaegar's men, slated as a sacrifice to the gods. Timaos Silivasi would gladly risk everything - his power, his privilege, his celestial heart - to save his one true love, but fate has a plan of its own... For this couple. For this civilization. For this lost race of warriors, who will never be the same. Every legend has a beginning... BLOOD GENESIS: prequel to the Blood Curse Series
