done, his deadliest job yet pulls him back Into The Fire... Evan Smoak lives by his own code. Once he was known as Orphan X. Trained as an off-the-books government assassin and spoken about only in whispers, Evan Smoak was one of the most talented – and most feared – men in the Program. But he broke free and reinvented himself as The Nowhere Man, a figure shrouded in mystery, known for helping the truly desperate. If anyone is truly desperate, it's Max Merriweather. Max is at the end of his rope. His cousin has been brutally murdered, leaving Max an envelope that contains nothing but a mysterious key. However, someone really wants that key, badly enough that Max – and anyone he turns to – is in deadly danger. What seems like a simple job for The Nowhere Man turns out to be anything but. Behind every threat he takes out, a deadlier one emerges and Evan Smoak must put himself in greater danger than ever before as he heads once more Into The Fire.

Gregg Hurwitz's New York Times bestselling series returns when Orphan X faces his most challenging mission ever in Dark Horse. Evan Smoak is a man with many identities and a challenging past. As Orphan X, he was a government assassin for the off-the-books Orphan Program. After he broke with the Program, he adopted a new name and a new mission--The Nowhere Man, helping the most desperate in their times of trouble. Having just survived an attack on his life and the complete devastation of his base of operations, as well as his complicated (and deepening) relationship with his neighbor Mia Hall, Evan isn't interested in taking on a new mission. But one finds him anyway. Aragon Urrea is a kingpin of a major drug-dealing operation in South Texas. He's also the patron of the local area--supplying employment in legitimate operations, providing help to the helpless, rough justice to the downtrodden, and a future to a people normally with little hope. He's complicated--a not completely good man, who does bad things for often good reasons. However, for all his money and power, he is helpless when one of the most vicious cartels kidnaps his innocent eighteen year old daughter, spiriting her away into the armored complex that is their headquarters in Mexico. With no other way to rescue his daughter, he turns to The Nowhere Man. Now not only must Evan figure out how to get into the impregnable fortress of a heavily armed, deeply paranoid cartel leader, but he must decide if he should help a very bad man--no matter how just the cause.

Forced into retirement, Evan Smoak gets an urgent request for help from someone he didn't even suspect existed—in Prodigal Son, the next New York Times bestselling Orphan X book from Gregg Hurwitz. As a boy, Evan Smoak was pulled out of a foster home and trained in an off-the-books operation known as the Orphan Program. He was a government assassin, perhaps the best, known to a few insiders as Orphan X. He eventually broke with the Program and adopted a new name—The Nowhere Man—and a new mission, helping the most desperate in their times of trouble. But the highest power in the country has made him a tempting offer—in exchange for an unofficial pardon, he must stop his clandestine activities as The Nowhere Man. Now Evan has to do the one thing he's least equipped to do—live a normal life. But then he gets a call for help from the one person he never expected. A woman claiming to have given him up for adoption, a woman he never knew—his mother. Her unlikely request: help Andrew Duran—a man whose life has gone off the rails, who was in the wrong place at the wrong time, bringing him to the deadly attention of very powerful figures. Now a brutal brother & sister assassination team are after him and with no one to turn to, and no safe place to hide, Evan is Duran's only option. But
