The history of art is often told as a chronology of masterpiecescreated during each civilization. It can thus be framed as a story of high culture, epitomized by the Wonders of the World. On the other hand, vernacularart expressions can also be integrated into art historical narratives, referred to as folk art or craft.

Art history is the study of aesthetic objects and visual expression in historical and stylistic context. Traditionally, the discipline of art history emphasized painting, drawing, sculpture, architecture, ceramics, and decorative arts, yet today, art history examines broader aspects of visual culture, including the various visual and conceptual outcomes related to an ever-evolving definition ...

~~Art history~~ ~~Wikipedia~~

Art history Clare Haynes. Art history is the historical discipline that deals largely, but not exclusively, with material objects. Traditionally, this has meant paintings, sculptures and buildings. Its work is centred on charting the history of the making of those objects across time and space, and, put loosely, doing history with them.

Alex Potts. A history of the visual arts, defined simply as a chronological description of the various objects we now classify as art, would be a pretty marginal affair, probably of less general interest than a history of machinery, or a history of clothing. It would certainly be a history that remained on the fringes of what most people recognise as the central concerns of life.

History of the Art of Antiquity - Johann Joachim Winckelmann, Johann Winckelmann - Google Books. In 1764, Johann Joachim Winckelmann published a key early instance of art-historical thinking, his Geschichte der Kunst des Alterthums, here translated into English for the first time. Dazzled by the sensuous and plastic beauty of recently excavated artifacts - coins, engraved gems, vases, paintings, reliefs, and statues - Winckelmann synthesized the visual and written evidence then available ...

After the war many older art historians took the view that the primary tasks of art history had already been accomplished, and that the time had come for summaries. This was the platform from which Pevsner launched his Pelican History of Art project, but it was not how the situation was perceived at the Institute.
