Rather than rely on popular archetypes, Peele weaves together the material realities and daily manifestations of horror with sociopolitical fears and elements of true suspense, and combines them with pitch-perfect satire and a timely cultural critique. This companion paperback to the film presents Peele's Oscar-winning screenplay alongside supplementary material. Featuring an essay by author and scholar Tananarive Due and in-depth annotations by the director, this publication is richly illustrated with more than 150 stills from the motion picture and presents alternate endings, deleted scenes and an inside look at the concepts and behind-the-scenes production of the film. Continuing in the legacy of 1960s paperbacks that documented the era's most significant avant-garde films--such as Akira Kurosawa's Rashomon, Jean-Luc Godard's Masculin/Feminin and Michelangelo Antonioni's L'Avventura--Get Out is an indispensable guide to this pioneering and groundbreaking cinematic work. Jordan Peele (born 1979) is an American writer, director and producer. Peele's directorial debut, Get Out (2017), earned him an Academy Award for Best Original Screenplay as well as nominations for Best Picture and Best Director.
