Now a Netflix Original Film directed by Amy Poehler! "Moxie is sweet, funny, and fierce. Read this and then join the fight."—Amy Poehler An unlikely teenager starts a feminist revolution at a small-town Texas high school in this novel from Jennifer Mathieu, author of *The Truth About Alice*. **MOXIE GIRLS FIGHT BACK!** Vivian Carter is fed up. Fed up with an administration at her high school that thinks the football team can do no wrong. Fed up with sexist dress codes, hallway harassment, and gross comments from guys during class. But most of all, Viv Carter is fed up with always following the rules. Viv's mom was a tough-as-nails, punk rock Riot Grrrl in the '90s, and now Viv takes a page from her mother's past and creates a feminist zine that she distributes anonymously to her classmates. She's just blowing off steam, but other girls respond. As Viv forges friendships with other young women across the divides of cliques and popularity rankings, she realizes that what she has started is nothing short of a girl revolution. *Moxie* is a book about high school life that will make you wanna riot! Also by Jennifer Mathieu: *The Truth About Alice*: A powerful look at slut-shaming, told through the perspectives of four small-town teens, about how everyone has a motive to bring—and keep—a teen girl down. *Devoted*: A girl with a controlling, conservative family realizes that her life is her own—if only she can find the courage to fight for it. *Afterward*: A tragic kidnapping leads to an unlikely friendship in this novel about finding light in the midst of darkness. Praise for *Moxie*: "With a story that's equal parts heart and instruction manual, Mathieu has captured the movement of a generation—warts and all—and shone a light forward for the next one." —E. K. Johnston, #1 New York Times Bestselling author of *Exit Pursued By a Bear* "Vivian

I could feel my heart—and my courage—getting bigger every time I turned the page." —Katie Cotugno, New York Times—bestselling author of *99 Days* and *How to Love* "Moxie is an anthem, a how-to guide, and that best friend who says, 'You matter, too!'" —Sherri L. Smith, author of *Pasadena* and *Flygirl* "Like the addictive riff of a punk rock song, Moxie will pull you in, inspire you, and kick you back out into the world with a burning desire to change it. Read this. Now." —Jenny Torres Sanchez, author of *Because of the Sun* "An invaluable revelation." —Booklist, starred review "This novel is full of wit, insight, and moxie. . . . Highly recommended for all teens, but especially those who would enjoy realistic coming-of-age fiction with female empowerment." —School Library Journal, starred review "Satisfying and moving." —Publishers Weekly

are not victims, we are not weak, we are not a sad, defeated group of sob sisters. Yes, life is hard, but we are incredibly resilient. Of Mess and Moxie shines a light on Jen's own triumphs and tragedies into a sigh of relief for all normal, fierce women everywhere. Whether it's the time she drove to the wrong city for a fourth-grade field trip or the way she learned to truly forgive, she offers a reminder to those of us who sometimes hide in the car eating crackers that we do actually have the moxie to get back up and face our messes head-on. After all, this race is not a contest--there's enough abundance to go around. This book will give you the encouragement you need to remember that: Your mess is normal You are not in competition with your peers--your seat at the table is secure You have incredible gifts to offer Come alongside Jen as she teaches us that we can all choose to live undaunted and in the moment, no matter what the moments hold, and we really can lead vibrant, courageous, grace-filled lives.
