Individualization argues that we are in the midst of a fundamental change in the nature of society and politics.

Individualization: Institutionalized Individualism and Its ...

Individualization argues that we are in the midst of a fundamental change in the nature of society and politics. This change hinges around two processes: globalization and individualization. The book demonstrates that individualization is a structural characteristic of highly differentiated societies, and does not imperil social cohesion, but actually makes it possible.

Ulrich Beck and Elisabeth Beck-Gemshem: Individualization ...

there is a big difference to be made between individualization where there are institutional resources like human rights, education and the welfare state to cope with the contradiction of modern biographies and "atomization" where there are not. The neoliberal market ideology enforces atomization with all its political will.
