Wikipedia

FOXFIRE by Joyce Carol Oates is a haunting tale of the relationships developed among groups of outcasts and "leftovers," marginalized by the established mainstream. The subtitle is "Confessions of a Girl Gang," and that is exactly what is told. The story is set in upstate New York but could be anywhere in American suburbia.

shift in American Christianity. In this ground-breaking study, Priscilla Pope-Levison dusts off the unpublished letters, diaries, sermons, and yearbooks of these pioneers to share their personal tribulations and public achievements. The effect is staggering. With an uncanny eye for essential details and a knack for historical nuance, Pope-Levison breathes life into not just one or two of these women—but two dozen.

Black women are the single most religious demographic in the United States, yet they are among the poorest, least educated, and least healthy groups in the nation. Drawing on the author's own past experience

Meyer as an evangelical minister and her present work as a secular counselor and researcher, *The Ebony Exodus Project* makes a direct connection between the church and the plight of black women. Through interviews with African American women who have left the church, the author reveals the shame and suffering often caused by the church—and the resulting happiness, freedom, and sense of purpose these women have felt upon walking away from it. This book calls on other black women to honestly reflect on their relationship with religion and challenges them to consider that perhaps the answers to their problems rest not inside a church, but in themselves.
