Western Europe is the focus of Edward C Page's Localism and Centralism in Europe It is a work of genuine comparison, covering the relationship between central and local government in seven countries He makes a critical distinction between leggi and

Kindle File Format Localism And Centralism In Europe: The

It argues that by the end of the 19th century, there was a common pattern of central-local relations in five of the six continental Europeans nations in the study: a pattern of administrative control of local government by a central state official.

Explaining Patterns of Centralism and Localism—Oxford

During real-socialism in Central and Eastern Europe the scope for local government discretion was marginal. Local government had a very low degree of legitimacy, and this is something that poses a big problem when it comes to developing local self-government under postsocialism. It seems as if most citizens are prepared to pin their hopes on new central leaders, while they are still very ...

Localism and Centralism in Europe: The Political and Legal

Localism describes a range of political philosophies which prioritize the local. Generally, localism supports local production and consumption of goods, local control of government, and promotion of local history, local culture and local identity. Localism can be contrasted with regionalism and centralized government, with its opposite being found in the unitary state. Localism can also refer to a systematic approach to organizing a national government so that local autonomy is retained rather t
