Griffin's "Business ActiveBook" is an interactive, online, digital book that uses multimedia resources to greatly enhance the learning experience. "Business, Sixth Edition," provides readers with a comprehensive overview of every aspect of business and the environment in which business prospers. This best-selling book has captured the flavor and excitement of the new economy in all of its rapidly evolving practices. The new edition continues the book's user-friendly tradition and its commitment to relevant material and hands-on learning. It also focuses on "people in business" and the decisions they make on a daily basis. The authors have taken this commitment to new levels in an effort to provide more "personal"--and, at the same time, more "practical"--access to people who do business by letting readers ask them questions about cutting-edge business issues and practices. A six part organization covers: the contemporary business environment, the business of managing, understanding people in organizations, understanding principles of marketing, managing operations and information, and understanding financial issues. For anyone who wants to better understand the business environment and the people who populate it.

cases, exercises, and projects while continuing to provide them with a strong theoretical framework. New! Each chapter also contains either a Technology Toolkit, Business of Ethics, or Today's Management Issues boxed feature. These are intended to briefly depart from the flow of the chapter to highlight or extend especially interesting or emerging points and issues relating to new technology and its role in management or ethical issues and questions facing managers today. New! Test Preppers, located at the end of every chapter, prompt students with true/false and multiple-choice quizzes to gauge their retention and comprehension of chapter material. The answers are found at the end of the text. New! HM e-Study Student CD-ROM is carefully tailored to supplement and enhance the content of the text, including ACE self-tests, selected videos, chapter outlines, company web links, a glossary, flashcards, learning objectives, ready notes, self-assessment exercises, and chapter summaries. The CD-ROM is free with the text. Knowledgebank Icon in the text refers students to the new Knowledgebank feature on the HM e-Study CD. Here they can find additional information about particular topics in the text. It can also be used to find further management knowledge or for a research project, and it can be found only on HM e-Study CD ROM. Building Management Skills exercises appear throughout the text and are organized around the set of basic management skills introduced in Chapter 1. The Skills Self-Assessment Instrument helps readers learn something about their own approach to management. Finally, an Experiential Exercise provides additional action-oriented learning
