The Sergeants Course distance education program (DEP) provides students with the knowledge and skills necessary to assume leadership roles of greater responsibility and to successfully perform the duties of a small-unit leader with confidence and decisiveness. The instruction places emphasis on leadership, warfighting, training, and administrative and communication skills that are necessary for a sergeant to function at the squad level, lead Marines in combat, and mentor junior Marines.

gathered to lead a business to a family. If you want to see what make Marines so effective this book is a good place to start.

Our nation faces daunting challenges. Sometimes the threat of terrorism or disaster comes from within. 1) Have you ever wondered who terrorists really are and what motivates them? 2) Are you aware of the measures our government has taken to prevent terrorism? 3) What are the protocols in place to assist when disaster strikes? 4) What part has racism and racial profiling played in antiterrorism? 5) What is Posse Comitatus? The Current Fight Within is a resource for anyone interested in the many facets of how terrorism affects America. It provides answers to many difficult questions to improve readers basic knowledge of major concerns our country faces. America only becomes as strong as the people defending it. You do not have to be in the military, law-enforcement, emergency services or in politics to make America strong. We can all make a difference to protect our nation simply by becoming more educated in antiterrorism. Edward Ackley draws on years of personal experience in antiterrorism, law enforcement, and infantry from his career in the Marine Corps as well as his dedicated service to firefighting, and combines it with sound research to provide this informative, fascinating, easy to read book.

A profile of the only World War II Marine to win the Medal of Honor, the Navy Cross, and a Purple Heart parallels his career with notable World War II memoirists while tracing his significant achievements at Guadalcanal and Iwo Jima.

Using their native language, the Navajo Marines played an invaluable part in World War II as they sent messages, did maneuvers, and completed tasks with words that couldn't be deciphered by the enemy. Reprint.

Winner of the National Book Award for Fiction "Redeployment is hilarious, biting, whipsawing and sad. It's the best thing written so far on what the war did to people's souls." —Dexter Filkins, The New York Times Book Review Selected as one of the best books of the year by The New York Times Book Review, Time, Newsweek, The Washington Post Book World, Amazon, and more Phil Klay's Redeployment takes readers to the frontlines of the wars in Iraq and Afghanistan, asking us to understand what happened there, and what happened to the soldiers who returned. Interwoven with themes of brutality and faith, guilt and fear, helplessness and survival, the characters in these stories struggle to make meaning out of chaos. In "Redeployment", a soldier who has had to shoot dogs because they were eating human corpses must learn what it is like to return to domestic life in suburbia, surrounded by people "who have no idea where Fallujah is, where three members of your platoon died." In "After Action Report", a Lance Corporal seeks expiation for a killing he didn't commit, in order that his best friend will be unburdened. A Mortuary Affairs Marine tells about his experiences collecting remains—of U.S. and Iraqi

Where To Download Marine Net Sgts Course Answers

soldiers both. A chaplain sees his understanding of Christianity, and his ability to provide solace through religion, tested by the actions of a ferocious Colonel. And in the darkly comic "Money as a Weapons System", a young Foreign Service Officer is given the absurd task of helping Iraqis improve their lives by teaching them to play baseball. These stories reveal the intricate combination of monotony, bureaucracy, comradeship and violence that make up a soldier's daily life at war, and the isolation, remorse, and despair that can accompany a soldier's homecoming. Redeployment has become a classic in the tradition of war writing. Across nations and continents, Klay sets in devastating relief the two worlds a soldier inhabits: one of extremes and one of loss. Written with a hard-eyed realism and stunning emotional depth, this work marks Phil Klay as one of the most talented new voices of his generation.

The United States Marine Corps is the largest such force on the planet, and yet it is the smallest, most elite section of the U.S. military, one with a long and storied history. Here, in the most current version of the manual used by the Corps itself, is the basic guidebook used by all rifle platoon squad leaders. Discover: . the organization, weapons, capabilities, and limitations of the Marine rifle squad . the squad's role within a platoon and that of the fire teams within the rifle squad . offensive and defensive tactics and techniques . the various patrols squads conduct . numerous charts and illustrations . and much, much more. Military buffs, war-gamers, and anyone seeking to understand how American armed services are being deployed in the ever-changing arena of modern warfare will find this a fascinating and informative document.
