Music and Discourse: Toward a Semiology of Music by Jean ...

The concept of the role of music as discourse originally stemmed from the realization that music stimulates the organs in the ear, and in this regard, fits the definition of discourse or language because it conveys information to a discerning listener. Music's ability to enhance emotional states like serenity, regret, or exuberance has led some researchers to title musical discourse as the "music of the emotions."

The word discourse is derived from the latin prefix dis-meaning "away" and the root word currere meaning "to run". Discourse, therefore, translates to "run away" and refers to the way that conversations flow. To study discourse is to analyze the use of spoken or written language in a social context.

Klezmer Music as Jewish Dialogue and Jewish Discourse - Peak to Peak Webinar. This program will introduce klezmer music as a kind of Jewish dialogue, or Jewish discourse. Klezmer is Jewish instrumental music from Eastern Europe, and it comes from the same culture as the Yiddish literature of Sholem Aleichem, S. J. Abramovitsh, and others. It makes sense that the music and literature of this culture would share certain features.

Kofi Agawu's Music as Discourse promises to quickly become a standard and definitive work in musical semiotics. Working at the nexus of musicology, ethnomusicology, and music philosophy and aesthetics, Agawu presents a synthetic and innovative approach to musical meaning which argues deftly for the thinking of music as a discourse in itself--composed not only of sequences of gestures, phrases, or progressions, but rather also of the very philosophical and linguistic props that enable the ...
