UPDATED FEBRUARY 2015 with Current NCAA & NAIA Rules. Written by Rick Allen, an NCAA Rules Expert with 25+ years experience working directly with the NCAA, NAIA, and NJCAA rules and Founder of Informed Athlete(TM) - www.informedathlete.com, this book could save you time and THOUSANDS of dollars. Each year, parents spend thousands of dollars on lessons, equipment, competitive sports teams, and travel in the hopes that their son or daughter will be noticed by college athletic recruiters and offered an athletic scholarship. Their journey is often complicated by making costly mistakes due, in many cases, to not knowing or understanding the NCAA, NAIA, or NJCAA rules. Decisions made during the recruiting process can have HUGE and lasting impact both emotionally and financially later on. This book provides real-life advice and experiences that are typical of the many situations you will encounter if you are actively pursuing an athletic scholarship. In this book, you will learn how soon you should get started in the recruiting process, what you should do if you're not getting recruiting interest, what to look for and questions to ask on your campus visits, what academic requirements are needed to be eligible for an athletic scholarship, what to do if things don't work out and you need to transfer to another school, and what you should know BEFORE you go through the recruiting process. Some of the stories shared are based on situations I've encountered throughout my years on campus. Some of these stories include mistakes that were made in our own son's recruitment process despite my years of NCAA experience and expertise. Rick Allen, Founder Informed Athlete(TM) www.informedathlete.com 913-766-1235

Your family's athletic scholarship dream can become a reality when you apply the recruiting steps clearly laid out in the Athletic Scholarship Playbook. You're a parent. Your son or daughter is a talented high school athlete. You know they have what it takes to compete at the next level and you want to see them get recruited by college coaches. You believe they are athletic scholarship material. Or you're an athlete. You dream of being recruited by college coaches and earning an athletic scholarship. But you don't know where to start. You see other athletes in your city receive full rides and you wonder how they got discovered. Did coaches just find them or is there more to it? You want answers. Jon Fugler takes the mystery out of recruiting and athletic scholarships, providing parents and student-athletes a clear, actionable plan. Athletic scholarships are not just reserved for the best athletes in the city, county, state, country or even team. Every high school athlete who can compete at the next level has a good opportunity for an athletic scholarship. You just need to know the steps to getting noticed and recruited. This Playbook is your recruiting roadmap that will lead you to success, covering steps for all sports, both men's and women's. This complete, detailed, how-to guide covers everything from how to get discovered, how to move up multiple coaches' prospect lists, NCAA and NAIA eligibility and recruiting rules, producing an effective video, choosing the right camps, tournaments and showcases, what to ask coaches so you get the full picture about their program and your status, how to make the final school choice, and much more. Whether you're just starting out or you've been at it for a while, Jon's step-by-step approach will empower you to take control of the recruiting process. You'll get results, even begin hearing from college coaches in the next 30 days. These are the same things Jon discovered to get his twin sons fully paid educations ... at the school of their choice ... playing the sport they love. Since then, Jon has been coaching parents and athletes for over 15 years, helping them achieve their families' scholarship dreams. In this book, he shares the very same things he has taught families like yours. You'll know exactly what you need to do to get on the radar of college coaches, stay on their radar and get offers. Here's a quick look at the key elements you'll learn in the book: * The #1, most powerful way for your son or daughter to get college coaches' attention quickly (in the first 30 days) - this works like crazy! * Jon's proven five-step strategy for landing an athletic scholarship at a school you can trust is the best fit. * What you must do before you even think about getting your son or daughter's name in front of college coaches. * The secret to getting the best offers from the right schools. * How to make your student-athlete stand out and get noticed among all the other prospects. * The proven method for your kid to constantly move up on a coach's prospect list. * How to get the contact info for 75 coaches in less than an hour - not only is it possible, it's easier to do it this way. * When and how to use video. * How to choose camps and showcases so your athlete is in front

of the right coaches.* How parents and athletes can work together as a team to get the best results.* How to evaluate your scholarship offers and make the final school choice that is truly the best fit. This book is the culmination of Jon's 15+ years of work with parents and athletes and his proven, step-by-step system for recruiting. You'll come away empowered to run your own recruiting campaign.

The Step-by-Step to college recruiting. 80 pages with timelines and sample resume, cover letter, NCAA recruiting rules and eligibility and admissions requirements for NAIA and NCAA.

Authored by an experienced college coach, Inside College Volleyball is packed with information for volleyball players looking to take their game to the next level by playing in college. It provides a specific set of plans and loads of recommendations and advice for the whole college recruiting process, from high school freshman year (and before) right through senior year (and beyond). The Coach shares a behind-the-scenes view of the recruiting process in terms of what coaches are looking for and how they operate. No matter what level of college play you're contemplating, from Division III and Junior College right up through upper level Division I, Inside College Volleyball will help you prepare for and manage the recruiting process, as well as provide insights into what it will actually be like once you get to college. If you are: - Confused by all the NCAA recruiting regulations, you will find simple explanation of the rules which will impact you along the way so you'll know what is allowed and what is restricted at any point in time. - Worried about making commitments, Coach will let you know the timeline college volleyball coaches are on with the recruiting calendar and what it means for you so you can pace the decision-making process properly. - Unsure of how to best manage the college volleyball recruiting process, you will get a specific set of plans for freshman, sophomore, junior, and senior high school years so you can plan a course and navigate the recruiting process confidently. - Looking for guidance on managing communication with college volleyball coaches, you will get advice and recommendations on things like preparing your skills video, how often you should be in touch, and how to handle discussions like scholarship availability so your communication strategy is effective and efficient throughout the process. - Wondering how best to handle the attention of college volleyball coaches at tournaments, Coach offers several suggestions to help you put your best foot forward to make things less stressful. - Starting to look at schools, the book provides time lines for when to do college visits, advice about what to expect, and recommendations on what to look out for while you're on campus. - Curious about the different levels of college volleyball, you will find discussions of not just the Division I recruiting process, but also of Division II and III, plus NAIA and Junior College Volleyball. There's loads more. The book features answers to a number of common player and parent questions about things like signing periods, camps, Men's Volleyball, walking-on, and more. If you have a question about college recruiting, it's probably answered in the book – and if not, you'll find out how to get the answer. Coaches and club directors should read this book too. It will help them guide those in their program in the best possible way. Actually, the book even includes specific advice for them! And Inside College Volleyball doesn't stop there. While recruiting is definitely the biggest focus, the book also talks about training, playing, and coaching. There's lots of behind the scenes type information about how things really work in college volleyball. The Coach gives you the inside scoop on a number of different topics, from rules to equipment to athletic department politics to coaching employment, making the book not just a resource for prospective college volleyball players and their parents, but to anyone interested in collegiate volleyball.

Presents an in-depth account of the financial side of college football, including how some colleges are ignoring their academic missions to fund sports teams and why college football players should not be paid.
