Do you want to make money every day? Do you want to make money without having to work for the boss every day? Do you want to enjoy the freedom that comes with being wealthy? The question then is, how? Welcome to the third part of the "101 Cash Flow Ideas" series by Passive Income Factory. The first two books taught you how to create passive income if you have minimal investment, and how to create assets to protect and increase your capital if you can afford to invest up to \$ 3-5,000 and more. In this third book of the series, we'll be giving you an extensive and in-depth tour of how you can create yourself additional sources of income without having a single dollar of start-up capital, get away completely from the boss and start to work on your own. And this, in turn, will allow you to begin accumulating your first capital and invest it in assets to obtain passive income. In this book you'll find: where to start your way to financial freedom, even if your capital is zero, and you have to spend all the money from working for the boss to live. 25 proven and working strategies "how to get away from the boss" to everyone's taste, from freelance and creating additional income to launching your own small business step-by-step guide on how you can implement each of these proven effective 25 methods immediately some recommendations on how to transform self-employment strategies into passive income sources consistently each strategy include such useful info as steps to success and do's - dont's And much, much more! But there are no "get-rich-quick schemes" going in this book, so consider yourself warned if you are under the impression that these strategies will allow you to get rich in a few months. These strategies are not passive at the outset, and our focus is not on how to make them passive. It's on how to maximize these side hustles and boost your income. Ideas in this book help you learn skills and techniques that can become the basis for your own business(es) and supplemental income resources, that you can use as your capital to invest in increasingly lucrative passive income opportunities. And if you still suffer any doubts or fears about whether you will succeed, then know that thousands and thousands of people all over the world have long been working for themselves, being happy and free. There is nothing quite as liberating and satisfying as being your own boss, working from the comfort and confines of your home, without any negative affecting your desired income flow or your career.
