"Patton: A Genius For War" was published in 1995 and is the biography for which Carlo D'Este is best known. He is an author, military historian and a retired lieutenant colonel in the U.S. Army. Three years ago I read and reviewed his 2002 biography of Dwight Eisenhower as part of my journey through the best presidential biographies.

The Patton genius for being in the right place at the right time when the bullets were flying thickest would soon make its way in the national headlines in the Mexican War and the First World War. In 1916, a U.S. punitive expedition would move toward the Mexican border under Brigadier General John Jay Pershing.

Harry Yeide. Fighting Patton: George S. Patton Jr. Through the Eyes of His Enemies. Zenith Press. \$30.00. Of the allied world War II generals, George Patton may be considered the most "German." He had carefully studied the early Blitzkrieg campaigns against Poland and France and shared the conviction of the Wehrmacht commanders that that a war of movement — short, sharp, and furious ...

## ~~The German View of Patton | Hoover Institution~~

Carlos D'Este titled his Patton biography A Genius for War. "What made Patton so remarkable was his willingness to take risks and to make crucial life-and-death decisions no one else would dare..." he wrote. "[He had] that intangible, instinctive sense of what must be done in the heat and chaos of battle: in short, that special genius for war that has been granted to only a select few ...

According to Publishers Weekly, the result is "a major biography of a major American military figure." "This massive work is biography at its very best. Literate and meaty, incisive and balanced, detailed without being pedantic. Mr. D'Este's Patton takes its rightful place as the definitive biography of this American warrior." --Calvin L. Christman, Dallas Morning News "D'Este tells this story well,

# File Type PDF Patton A Genius For War Carlo Deste

and gives us a new understanding of this great and troubled man."-The Wall Street Journal "An instant classic." --Douglas Brinkley, director, Eisenhower Center

Transcripts from General Patten's war diary covering his campaigns in Sicily, France, and Germany

Known for his rousing speeches and military triumphs, General George S. Patton, Jr. is one of the most famous military figures in U.S. history. Yet, he is better known for his profanity than his prayers. Until now. In his new book *George S. Patton: Blood, Guts, and Prayer*, author Michael Keane takes readers on a journey through Patton's career in three parts: his military prowess, his inspirational bravery, and his faith. Using Patton's own diaries, speeches, and personal papers, Keane examines the general's actions and personality to shed light on his unique and paradoxical persona. From his miraculous near-death experience to his famous prayer for fair weather, *Patton: Blood, Guts, and Prayer* recounts the seminal events that contributed to Patton's personal and religious beliefs. Comprehensive and inspiring, *Patton: Blood, Guts, and Prayer* is an extraordinary look at the public and private life of one of World War II's most storied generals.

Dwight Eisenhower called General George S. Patton "mentally unbalanced" and "just like a time bomb," and indeed, the egotistical, mercurial, aggressive Patton is perhaps as well known for his daring battlefield exploits as for his questionable behavior and eccentric beliefs. In a brief but probing assessment of Patton's life based on strong research in primary sources and knowledge of psychology, Jim Sudmeier considers the mind of Patton: what made this military genius tick? To what extent was Patton's boldness

# File Type PDF Patton A Genius For War Carlo Deste

and brilliance as a general, his willingness to welcome risk and danger, connected to his unstable personality? Sudmeier presents a myth-shattering reconsideration of one of military history's most famous commanders.

George S. Patton embodied contradiction: a cavalryman steeped in romantic military tradition, he nevertheless pulled a reluctant American military into the most advanced realms of highly mobile armored warfare. An autocratic snob, Patton created unparalleled rapport and loyalty with the lowliest private in his command; an outspoken racist, he led the only racially integrated U.S. military unit in World War II; an exuberantly profane man, he prayed daily and believed God had destined him for military greatness; a profoundly insecure individual, he made his Third Army the most self-confident and consistently victorious fighting force in the European theater. From Patton's boyhood battling dyslexia and becoming an avid reader, to his leadership strategies that modernized the U.S. army, Alan Axelrod delivers a fascinating account of Patton's life and legacy.

Patton: A Genius for War is a full-fledged portrait of an extraordinary American that reveals the complex and contradictory personality that lay behind the swashbuckling and brash facade.

"An excellent book . . . D'Este's masterly account comes into its own." —The Washington Post Book World Born into hardscrabble poverty in rural Kansas, the son of stern pacifists, Dwight David Eisenhower graduated from high school more likely to teach history than to make it. Casting new light on this profound evolution, Eisenhower chronicles the unlikely, dramatic rise of the supreme Allied commander. With full access to private papers and letters, Carlo D'Este

# File Type PDF Patton A Genius For War Carlo Deste

has exposed for the first time the untold myths that have surrounded Eisenhower and his family for over fifty years, and identified the complex and contradictory character behind Ike's famous grin and air of calm self-assurance. Unlike other biographies of the general, Eisenhower captures the true Ike, from his youth to the pinnacle of his career and afterward.

General George S. Patton Jr, an inspirational leader and outstanding tactician, has intrigued and confounded his biographers. Utilising untapped archival materials in both the USA and UK, government documents, family papers, and oral histories, Hirshson creates the most balanced portrait of Patton ever written. It reveals Patton as a complex soldier capable of brilliant military manoeuvres but also of inspiring his troops with fiery speeches that resulted in horrendous acts, such as the massacres of Italian civilians. It explains Patton's belief in a soldier's Valhalla, connects the family's wealth to one of America's bitterest labour strikes, and disputes the usual interpretation of Patton's relief from command of the Third Army. In investigating this complex man, Hirshson has uncovered surprising material about a series of civilian massacres in Sicily, about the two slapping incidents, about attempts to exploit Patton's diary after his death, and about Patton's relations with top Allied generals. Patton emerges as a soldier of great imagination and courage, and his military campaigns make for edge-of-the-seat reading. All the drama of Patton's life comes alive in this meticulously documented volume.

**NATIONAL BESTSELLER** • The intimate true story of three of the greatest American generals of World War II, and how their intense blend of comradeship and competition spurred

# File Type PDF Patton A Genius For War

## Carlo Deste

Allied forces to victory. “One of the great stories of the American military.”—Thomas E. Ricks, Pulitzer Prize-winning author of *The Generals* Dwight Eisenhower, George Patton and Omar Bradley shared bonds going back decades. All three were West Pointers who pursued their army careers with a remarkable zeal, even as their paths diverged. Bradley was a standout infantry instructor, while Eisenhower displayed an unusual ability for organization and diplomacy. Patton, who had chased Pancho Villa in Mexico and led troops in the First World War, seemed destined for high command and outranked his two friends for years. But with the arrival of World War II, it was Eisenhower who attained the role of Supreme Commander, with Patton and Bradley as his subordinates. Jonathan W. Jordan’s *New York Times* bestselling *Brothers Rivals Victors* explores this friendship that waxed and waned over three decades and two world wars, a union complicated by rank, ambition, jealousy, backbiting and the enormous stresses of command. In a story that unfolds across the deserts of North Africa to the beaches of Sicily, from D-Day to the Battle of the Bulge and beyond, readers are offered revealing new portraits of these iconic generals.
