Politics, Language, and Thought is an exploration of how language and politics interrelate in the Somali Republic. Using both historical and experimental evidence, David D. Laitin demonstrates that the choice of an official language may significantly affect the course of a country's political development.

corrupts language, language can also corrupt thought.” If we disregard the health of one twin, we encumber the other.

George Orwell on the 7 Ways Politicians Abuse Language to ...

Politics and the English Language Most people who bother with the matter at all would admit that the English language is in a bad way, but it is generally assumed that we cannot by conscious action do anything about it. Our civilization is decadent and our language — so the argument runs — must inevitably share in the general collapse.

George Orwell: Politics and the English Language

"Politics and the English Language" (1946) is an essay by George Orwell that criticised the "ugly and inaccurate" written English of his time and examines the
