A new translation and abridgement of one of the four classical Chinese novels - an epic story of warring factions in the era of China's Han dynasty Written more than six centuries ago and still read by millions throughtout Asia today, The Romance of Three Kingdoms is an epic Chinese novel set during the Han dynasty that dramatizes the lives of feudal lords and their retainers, recounting their personal and military battles, intrigues, and struggles to achieve dominance for almost 100 years. Part historical record and part legend, the novel covers the turbulent final years of the Han dynasty when China broke into three competing kingdoms, and delves into the politics of war, power, and diplomacy, causing it to be viewed not just as a great work of literature, but also as a guide for success in business and leadership. The most famous historical novel in China, it has inspired countless adaptations worldwide and remains one of the most beloved works of East Asian literature.

"A material epic with an astonishing fidelity to history."—New York Times Book Review Three Kingdoms tells the story of the

fateful last reign of the Han dynasty (206 B.C.–A.D. 220), when the Chinese empire was divided into three warring kingdoms. Writing some twelve hundred years later, the Ming author Luo Guanzhong drew on histories, dramas, and poems portraying the crisis to fashion a sophisticated, compelling narrative that has become the Chinese national epic. This abridged edition captures the novel's intimate and unsparring view of how power is wielded, how diplomacy is conducted, and how wars are planned and fought. As important for Chinese culture as the Homeric epics have been for the West, this Ming dynasty masterpiece continues to be widely influential in China, Korea, Japan, and Vietnam and remains a great work of world literature.

“The world under heaven, after a long period of division, tends to unite; after a long period of union, tends to divide...” The Han dynasty is falling, the rebels and warlords fight each other for the hegemony in China. Who will bring peace to these lands? Romance of the Three Kingdoms, Written by Luo Guanzhong in the 14th century, is one of the four great Chinese classical novels. Discover it in this new edition with maps, footnotes and an historical introduction. This is Volume One of the story (Totally four volumes).

“The world under heaven, after a long period of division, tends to unite; after a long period of union, tends to divide...” The Han dynasty is falling, the rebels and warlords fight each other for the hegemony in China. Discover it in this new edition with illustrations from Ming and Qing dynasties and the whole text in Simplified Chinese. Compare it using the Table of Contents!

Written sometime in the fourteenth-century, "Romance of the Three Kingdoms" by the famed Chinese writer and playwright Luo Guanzhong, is one of the Four Great Classical Novels of Chinese literature and its influence in China and East Asia can be compared to Shakespeare in England and Europe. This popular tale is remarkable for its length at 800,000 words and its impressive cast of nearly one thousand dramatic characters. The story, which contains elements of true historical accounts mixed with myth and legend, is set during the tumultuous end of the Han dynasty in 169 AD and ends with the reunification of the country in 280 AD. This time was known as the "Three Kingdoms" period in Chinese history and is famous for the battles waged by feudal lords and their loyal retainers as they fought with each other to either replace the fading Han dynasty or restore it to its former power. The story follows hundreds of characters during this time of unrest and conflict and focuses on the politics, diplomacy, and struggle for power of the time. This edition is printed on premium acid-free paper and follows the translation of C. H. Brewitt-Taylor.

This epic saga of brotherhood and rivalry, of loyalty and treachery, of victory and death, forms part of the indelible core of classical Chinese culture and continues to fascinate modern-day readers. In 220 EC, the 400-year-old rule of the mighty Han dynasty came to an end and three kingdoms contested for control of China. Liu Pei, the legitimate heir to the Han throne,

Get Free Romance Of The Three Kingdoms

elects to fight for his birthright and enlists the aid of his sworn brothers, the impulsive giant Chang Fei and the invincible knight Kuan Yu. The brave band faces a formidable array of enemies, foremost among them the treacherous and bloodthirsty Ts'ao Ts'ao. The bold struggle of the three heroes seems doomed until the reclusive wizard Chuko Liang offers his counsel, and the tide begins to turn. Romance of the Three Kingdoms is China's oldest novel and the first of a great tradition of historical fiction. Believed to have been compiled by the play-wright Lo Kuan-chung in the late fourteenth century, it is indebted to the great San-kuo chi (Chronicles of the Three Kingdoms) completed by the historian Ch'en Shou just before his death in 297 CE. The novel first appeared in print in 1522. This edition, translated in the mid-1920s by C. H. Brewitt-Taylor, is based on a shortened and simplified version which appeared in the 1670s. An Introduction to this reprint by Robert E. Hegel, Professor of Chinese and Comparative Literature at Washington University, provides an insightful commentary on the historical background to the novel, its literary origins and its main characters.

Romance of the Three Kingdoms, a classic historical novel of enormous influence, is considered to be one of the four great Chinese classic novels. Written by Luo Guanzhong, a scholar who lived in the late Yuan and early Ming dynasties, it chronicled the efforts of the Wei, Shu, and Wu kingdoms to reunite the empire at the end of the Eastern Han Dynasty. This fascinating period in Chinese history inspired many other authors, poets, artists, and playwrights, including Luo Guanzhong's novel, which is a work of enduring historical and literary impact and beauty. Guan Yu, the hero, has had a significant impact on Chinese culture and the arts. That influence has spread to Japan, Korea, Vietnam, and to all Chinese communities in the world. Guan Yu is well respected and worshiped in Taoism, Buddhism, Shintoism, and Caodaiism. He has also influenced modern entertainment and mass media as well, including television, video games, Manga, and more. The study and critical interpretation of Romance of the Three Kingdoms and Guan Yu has captivated scholars, artists, and writers for centuries. Now, modern-day scholar and collector Frankie KT Neo offers the best of his research. Readers are invited to a detailed tour of his extensive collection of antiques and other artifacts commemorating Three Kingdoms and its hero, Guan Yu. His collection, called the Sanfen Tang Collection, currently features more than a thousand pieces, many of which are detailed within.

This book is the third and final volume of Romance of the Three Kingdoms translated from original text (traditional Chinese) into Simplified Chinese with Pinyin and comes with free audio files and English definition for all the words used in this book. tried to replace the dwindling Han dynasty or restore it. While the novel follows hundreds of characters, the focus is mainly on the three power blocs that emerged from the remnants of the Han dynasty, and would eventually form the three states of Cao Wei, Shu Han, and Eastern Wu. The novel deals with the plots, personal and military battles, intrigues, and struggles of these states to achieve dominance for a period of almost 100 years. Romance of the Three Kingdoms is acclaimed as one of the Four Great Classical Novels of Chinese literature; it has a total of 800,000 words and nearly a thousand dramatic characters (mostly historical) in 120 chapters. We have compiled the entire text into 3 volumes: Volume 1 – Chapters 1 to 52 Volume 2 – Chapters 53 to 102 Volume 3 – Chapters 103 to 120 and Word List For more information, please visit www.allmusing.net
