The Spalding Method is the methodology and educational philosophy of The Writing Road to Reading program. The Spalding philosophy is child centered, that is the physical and mental well-being of students is a primary concern of Spalding teachers. High expectations for all children are central to the philosophy.

## Spalding Method - Wikipedia

Lecture is often the method of choice when introducing and explaining new concepts. It can also be used to add insight and expand on previously presented material. Teachers recommend that the number of concepts (within a single lesson) be limited to one or two at the elementary level and three to five at the secondary level.
