Spellbinding action and breathless adventure—these are the realms of David Gemmell. His mythic characters represent the ultimates in good and evil, and everything in between. Brilliant warriors, they are heartbreakingly human in their ability to love, sacrifice, and summon extraordinary courage when all seems lost. With Stormrider, Gemmell continues his spectacular Rigante saga as the imperiled highland clan faces its deadliest threat . . . and calls for it's greatest hero. STORMRIDER A Novel of the Rigante Centuries ago, Connavar's triumphant battles against the invading army of Stone gained the Rigante their freedom, yet magic that once flourished has been all but snuffed out. The Varlish king and his barons have stolen Rigante lands and robbed the people of their culture and liberty. From the Rigante's former seat of power the black-hearted Moidart rules; only in the north are the clansmen free. There, in the Druagh mountains, the magic still reigns, strengthened by bold, brilliant victories of the outlaw leader known as Ravenheart. One glorious spark, one moment of Rigante rebellion, has ignited a revolution and forged a legend. The conquered clans set about to rediscover their greatness—yet theirs is not the only call to arms. In the south, civil war has drenched the land in blood, and the armies of destruction have begun creeping north. There the brooding Ravenheart waits, knowing the forces of the hated Moidart will come, led by the brutal ruler's only son, Stormrider. Ravenheart and Stormrider: enemies of uncommon courage, are unaware that the fate of the world lies in their hands. Faced with this inexorable advance, deadly foes will be forced to unite, and a secret lost in the uncharted past will return to haunt these two warriors as they face the vengeance of an ancient evil. Immense armies of darkness advance on the highlanders, and it seems as if nothing will stop them. They crush their enemies with ease, until only a few thousand men stand before them, with no help in

## Online Library Storm Rider

sight. But these are not ordinary men they face. They are clansmen, and more than that, they are Rigante.

Orphaned at thirteen, Hikotaro makes his way from Japan to San Francisco, where he soon dreams of returning home, but after being denied passage on Commodore Perry's ship, he returns to the U.S., and then back to his own troubled country. Reprint.

Daring dragon-riders fight to save a uniquely magical world from destruction by vengeful outcasts, in *Storm Riders* by Margaret Weis and Robert Krammes In a world where magic is intrinsic to the fabric of everyday life, two kingdoms, centuries-long enemies, have long sought a powerful magical weapon that will win them lasting dominance. But neither realm is ready when they are both attacked by the Bottom-Dwellers, a bitter people whose own land was destroyed, and who now live only to take vengeance on those they blame for a wretched life in the storm-tossed abyss they inhabit. Using contramagic strengthened by blood sacrifice to attack the world above, they threaten to bring down whole cities, or even the island kingdoms themselves. Freya and Rosia are forced to put aside their age-old conflict to defend themselves, or risk losing everything. As the Bottom-Dwellers' contramagic eats away at the magic of the dragons that helps protect the world above, a former dragon-riding hero gathers a ragtag group to form a new dragon brigade, the one desperate hope of the two kingdoms to defeat the fiends who threaten their world. As the effects of contramagic bring the world ever closer to disaster, the new dragon brigade fight the vengeful adversary. Their high-flying heroics will be to no avail, though, unless they can somehow uncover forbidden knowledge,

long hidden by the Church, without which they will never be able to prevent the world's destruction. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A gripping new racing thriller from bestselling author John Francome In life, horse-fancier and antiques dealer Glyn Cole caused a heap of trouble - for his girlfriends, their jealous partners and his creditors. His two-year absence from the close-knit Berkshire horse community has been something of a relief. Broken bridges have been mended; lives have been rebuilt. And his disappearance has been a miracle for one individual in particular: the person who killed him. But now Glyn is back - in bizarre circumstances. A record-breaking storm has ripped his corpse from its ingenious hiding place. How did he get there and how did he die? Many have benefited from his absence - but who is no longer sleeping so soundly at night? It seems that, even in death, bad boy Glyn is as much trouble as he ever was...

The thrilling conclusion to the epic Storm Crow duology that follows a fallen princess as she tries to bring back the magical elemental crows taken from her people, perfect for readers who want fantasy books for teens. Thia, her allies, and her crow, Res, are planning a rebellion to defeat Queen Razel and Illucia once and for all. Thia must convince the neighboring kingdoms to come to her aid, and Res's show of strength is the only thing that can help her. But so many obstacles stand in her way. Res excels at his training, until he loses control of his magic, harming Thia in the process. She is also pursued by Prince Ericen, heir to the Illucian throne and the one person she can't trust but can't seem to stay away from. As the rebel group

This anxiously awaited first novel features the living sword himself - Nameless. Here he appears as a very different, brasher figure - a change from the humble soft-spoken powerhouse readers have grown to love. The novel reveals young Nameless's upbringing as a youth and how he became the venerable character now in the forefront of Storm Riders: Invading Sun. How did he obtain his feared Hero Sword? What were the events that put Nameless and Sword Saint at odds? And who is Nameless's hated kung fu brother? The novel includes 3 volumes with over 900 pages of story.

The Storm Rider is a tale about how a deceitful man's sins literally come back to haunt him. Early on the morning of August 28, 1935 in Savannah, Georgia, a tycoon named Patrick O'Keefe brings his daughter, Carmen, to the railroad station. He has entrusted her with \$40,000 to secure tool and food contracts from the purchasing agents of the railroad company operating in the Florida Keys. The contracts will bring Patrick profits many times the original investment. There is no doubt that Carmen's task is quite important. However, since she is quite a free spirit, it is anyone's guess why Patrick chose her to carry it out. He has only himself to blame when Carmen botches her mission in the worst way imaginable. Shortly after arriving in Florida, Carmen enters a bar where she meets a hustler named Joe Bono. In spite of how aggressive and headstrong Carmen is, Joe eventually manages to disappear with Patrick's money, leaving Carmen to die in a devastating hurricane. But Carmen's spirit will search for him, find him, and exact her revenge. The Storm Rider appeals to readers seeking elements of crime, intrigue, the supernatural and the hope of romance. This is a tale no Parrot Head should

# Online Library Storm Rider

miss. The story takes place over two great storms: The 1935 Labor Day Hurricane and Hurricane Wilma in 2005.
