techniques such as numerology, astrology and crystals. The book also features over 30 tarot layouts that you can use to gain insights into yourself, your relationships and your future.

The Healing Therapies Bible profiles more than 50 therapies, explaining the principles on which they are based, their history in practice, and wherever possible, shows them in action. New healing techniques are now being taught all over the world. Some are associated with a particular healer, such as Brandon Bays' *The Journey* and Vianna Stibal's *Theta Healing*. Others respond to our spiritual ascension, such as crystal healing with new-generation, high-vibration crystals and flower remedies. Some have longer histories, and have evolved from a wealth of traditions - such as Mindfulness meditation, with its roots in Buddhism and western stress reduction techniques, and regression therapy, more recently popularized by Harvard Psychiatry Professor Dr Brian Weiss. Also included are the classic techniques of complementary therapists, such as massage, reiki, reflexology and aromatherapy.

A comprehensive and beautifully illustrated guide to crystals. Find a known crystal instantly or identify an unknown crystal in this easy-to-follow directory that includes photographic identification, detailed descriptions, and information on the individual properties of each crystal--including the spiritual, mental and psychological, emotional and physical effects, plus its use in healing. It's an indispensable reference for crystal lovers everywhere.
