History of The Merck Veterinary Manual. Content last modified Feb 2019. In 1899, the American drug manufacturer Merck & Co. first published a small reference book for physicians and pharmacists titled Merck's Manual of the Materia Medica. Compact in size, easy to use, and comprehensive, The Merck Manual (as it was later known) became a favorite of those involved in medical care and has grown to become one of the world's most widely used comprehensive medical resources.
