Differentiating and categorizing information is very helpful for retention. If you need to memorize a lot of material, make a memory tree. Draw 3 branches for main topics, then make smaller branches for subtopics. This organizes the information in a nice visual that is easier for your mind to process and understand.

Secrets of Straight-A Students Everyone Should Steal ...

Top students know there is a big difference between knowledge, and applied knowledge. 23. They take personal responsibility for learning the material. The best students understand that they, and only they are truly responsible for their own education. So waiting to be spoon-fed by your professor and doing the homework assignments will never be enough.

Your body can't work right if all you eat
is junk like chips, candy, and
hamburgers. If you want to be the best
student you can be, eat your
vegetables (like broccoli), some fruit,
and lean proteins (like chicken and
fish). Drink plenty of water. Your brain
needs water in order to work right.
