Imagine yourself in a pool of strong swimmers, all swimming clockwise. You, a Christian

woman, are swimming counter-clockwise...counter-cultural, if you will. This book is for the woman who longs to rise up out of the stereotypical behavior of gossip, insecurity, pettiness, and small dreams. She has an unfulfilled desire to be someone who goes against the grain of the common for the sole purpose of living a life with conviction. The woman who reads this book is ready to believe in her deep value, ready to accept her high calling, and ready to make a difference in a world in need of her influence. Go ahead, swim against the stream to become The Uncommon Woman.

There Is Nothing Ordinary About You.You are EXTRAORDINARY and Designed by God to Become The Uncommon Woman. Your Success will depend on the level of your Passion for ... Passion Is Power! YouWill Only Be Remembered In Life For Your Obsession And Passion

Recounts the life of daughter of Queen Victoria--the Empress Frederick--and her personal war against the antidemocratic, antifeminist forces during a revolutionary time in European history, from the mid-nineteenth century to the beginning of World War I. Reprint.

A cultural critic and author of *Still She Haunts Me* examines seven unconventional marriages among members of England's literary circles between 1910 and 1939--including Jane and H. G. Wells, Vera Brittain and George Gordon Catlin, and Vanessa and Clive Bell--examining crises that occurred in each marriage and how they were or were not resolved. Reprint. 45,000 first printing.

At last the long-awaited reprint of Elisabeth Dodd's 1971 classic on the domestic life of America's most famous theologian, Jonathan Edwards, and his wife Sarah.

In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth

child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner "not comely for [her] sex." Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. *American Jezebel* illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose achievements are astonishing by the standards of any era.
