Here you'll find 122 different layouts with information on when and how to use them. Start with personal day and year cards, and learn how to relate Tarot to your own interests, in order to find specific blind spots and personal resistances, as well as how to look for new chances and unexpected directions. Then you progress to the larger and theme cards, and learn to interpret networks of cards and also "to view every card as a world by itself." You'll become acquainted with the Cycle of the Year (with 20 major layouts) and with the practice of Tarot and astrology, using the respected Golden Dawn System developed by Arthur A. Waite and Alistair Crowley. Soon you'll appreciate the variety and creativity inherent in Tarot, to see the cards as a mirror of yourself, and to discover what the authors mean when they say that "being lucky has nothing to do with luck." 192 pages, 114 b/w illus., 6 x 9.
