The Wretched Of The Earth
The Wretched of the Earth (French: Les Damnés de la Terre) is a 1961 book by the psychiatrist Frantz Fanon, in which the author provides a psychiatric and psychologic analysis of the dehumanizing effects of colonization upon the individual and the nation, and discusses the broader social, cultural, and political implications inherent to establishing a social movement for the decolonization of a person and of a people.

The Wretched of the Earth - Wikipedia

Fanon's 'The Wretched of the Earth' remains an incredible read and perhaps the greatest book ever written on the subject of colonialism and anti-colonial resistance. It is a masterpiece. That being said, do not buy this Kindle version. It is essentially photographs, JPEGS and you are unable to highlight or annotate the book.

Wretched of the Earth - Wikipedia

Not so very long ago, the earth numbered two thousand million inhabitants: five hundred million men, and one thousand five hundred million natives. The former had the Word; the others had the use of it. Between the two there were hired kinglets, overlords, and a bourgeoisie, sham from beginning to end, which served as go-betweens. In the colonies the truth stood naked, but the citizens of the ...
