A mysterious postcard leads Lisa and Nilly from Oslo to Paris in search of Doctor Proctor but, once there, all they find of their friend is a time-traveling bathtub powered by a special soap and several sinister individuals looking for him.

Tom and Elenna journey into the Dark Realm to free the good beasts of Avantia who have been captured by the evil wizard Malvel.

In a gripping thriller with a hint of Oliver Twist, a street kid and his dog are chasing an unlikely fortune — and dodging the thugs who would steal it. Twelve-year-old Bully has lost his mum and his old life. Living rough on the streets of London with his dog, Jack, he can't imagine a future. But one day he finds, tucked inside his most cherished possession—the last birthday card his mother ever gave him—a lottery ticket he bought her. And it's a winner. A big winner. Suddenly there's hope, if only he can get to his prize on time! But just as Bully's prospects open up, peril closes in. Now ruthless gangsters are in hot pursuit, and everyone wants a piece of him. Whom can he trust to help him retrieve what's his? And even if Bully does claim all that money, will he really be winning what he needs most? Michael Byrne's thrill-packed debut delivers the emotionally charged story of a boy whose luck has changed for the better, if only he can survive long enough to claim it.

When animals mysteriously stampede and brush fires sweep the prairie, Tom and Elenna, who hear that a mysterious horseman is causing the damage, speed to the plains in an effort to stop Tagus the Night Horse.

Six fearsome beasts have been cast under an evil spell by the Dark Wizard Malvel, and are destroying the kingdom of Avantia. Our hero Tom and his friend Elenna must free the beasts from the spell and save the land. Let the battle commence
