Discover how attitudes to a woman's place changed, as charitable missions began to extend the female role of service, and Victorian feminism began to emerge as a potent political force.

BBC - History - Ideals of Womanhood in Victorian Britain

How do women choose between work and family commitments? And what are the causes, limits, and consequences of the "subtle revolution" in women's choices over the 1960s and 1970s? To answer these questions, Kathleen Gerson analyzes the experiences of a carefully selected group of middle-class and working-class women who were young adults in the 1970s.

Some women may be certain they want to have an abortion, while others may find it more difficult to make a decision. All women requesting an abortion can discuss their options with, and receive support from, a trained pregnancy counsellor if they wish. Impartial information and support are available from: your GP or another doctor at your GP ...

Abortion - NHS

The exact role and status of women in the Roman world, and indeed in most ancient societies, has often been obscured by the biases of both ancient male writers and 19-20th century CE male scholars, a situation only relatively recently redressed by modern scholarship which has sought to more objectively assess women's status, rights, duties, representation in the arts, and daily lives; and all ...

The Role of Women in the Roman World - Ancient History...

"I pay our women well so they can dress attractively and get married." - Henry Ford. There were more professional opportunities for women in the 1920s than there had been before. At the same time, there was a very clear limit to this advancement that was predicated on the idea that women would eventually marry.

Women in the 1920s - American History USA

Women could not don their running shoes until 1972! #4: Get a credit card. Until the Equal Credit Opportunity Act in 1974, women were not able to apply for credit. In 1975, the first women's bank was opened. #5: Refuse to have sex with her husband. The mid 70s saw most states recognize marital rape and in 1993 it became criminalized in all 50 ...
