Yoko and her mama are going on a trip to Japan! Yoko helps Mama get to and through the airport by reading signs along the way. By the time they get to their gate, Mama is exhausted. While Mama naps, Yoko goes to the washroom. But "Oh, no!" Yoko takes the wrong exit and finds herself in a completely different part of the terminal. Before she knows it, Yoko is on the moving walkway, zipping toward Baggage Claim. Will she be able to follow the signs back to her mama? With her flair for sly humor, Rosemary Wells defuses an anxious situation by keeping Yoko cool and confident, unlike poor Mama! Readers will enjoy reading the signs along with Yoko in this happy-ending story about navigating a very big but very friendly airport.

When Yoko brings sushi to school for lunch, her classmates make fun of what she eats--until one of them tries it for himself.

Despite the doubts of some classmates and her native-born Japanese mother's inability to read English, Yoko finds the key to reading and catches up with the other students in putting new leaves on the classroom's book tree.

When Yoko's grandparents send her a beautiful antique doll named Miki all the way from Japan, Yoko couldn't be happier. She places Miki on her red carpet and brings her candy until Girls' Festival on March 3. Even though Mama said no, Yoko decides to sneak Miki to school for show-and-tell. How could she have guessed that Miki would be in accident along the way? Looks like a trip to the Doll Hospital is in order! /DIV DIVRosemary Wells poignantly captures Yoko's regret over a poor decision and subtly shows the healing power of love in this charming picture book for emerging readers.

Mama, do you love me? Yes I do Dear One. How much? In this universal story, a child tests the limits of independence and comfortingly learns that a parent's love is unconditional and everlasting. The story is made all the more captivating by its unusual Arctic setting. The lyrical text introduces young readers to a distinctively different culture, while at the same time showing that the special love that exists between parent and child transcends all boundaries of time and place. The story is beautifully complemented by graphically stunning illustrations that are filled with such exciting animals as whales, wolves, puffins, and sled dogs, and a carefully researched glossary provides additional information on Arctic life. This tender and reassuring book is one that both parents and children will turn to again and again.
